A CARD

To the Union Men of Fotter.

I have been for some time past encouraged by citizens of the County to be a candidate for Representative. I announce myself a candidate for that office. I hear of candidates for other offices, without opposition, for the reason that they have been in the Army for the Union. I too have been in the Union Army—served faithfully in the ditches and swamps of South Carolina until honorably discharged by General Burnside, by reason of disability received in the service, and
in the line of duty. My son fought in the
