The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from anhealthy food, impure air, fifth and filthy habit, the depressing vices, and, above all, by the venereal infection. Whatever be its the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." "COSTAR'S" RAT EXTERMINATOR is simple, safe, and sure,—the most perfect Rar-ification meeting we have ever attended. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By in aid you may protect yourself from the suffer-ing and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of discuse, and vigorous health will follow.
