THE POTTER COUNTY JOURNAL.
Coudersport, Tuesday Evening, Sept. 12, 1865.

Local and General.

The Judicial, Senatorial and Representative Conference meet in this place to-day.

Court commences next week, when we will have bills made out for those owing us and will expect their payment.

General Schneek, in a recent speech in Ohio, said: "All Rebel is a courageous Copperhead and a Copperhead a cowardly Rebel." That is just it.

A fine new assortment of Fall and Winter Goods of every description arriving at Olmsted's this week. Call in and see for yourselves.

The mail from New York did not arrive Saturday night in consequence of a part of the Erie Railway having been washed away by the late rains.

Angeline Hall who is a daughter of Obadiah Hall who moved to Ohio about 14 years ago will wear something of great value to her by addressing a note to Col. I. N. Alexander of Van Wert, Ohio.

The Philadelphia Volunteer Refreshment Saloons closed last week, after having, during four years, and three months, entertained all soldiers passing through the city, numbering 1,200,000, without expense to the soldiers or the Government.

We failed to notice in our last the advertisement of the Pacific Hotel, New York, to be found in another column. This is one of the finest and best furnished houses in the City. Its charges are reasonable, and its accommodations for merchants excellent.

Mrs. S. M. Mills, will be in Potter about the 18th or 20th inst. for the purpose of disposing of his Farm at Coudersport. This is one of the most desirable Dairy Farms in the county and can be purchased at a fair bargain. We commend it to the attention of all desiring to purchase land in this county.

Capt. Kress, Chairman of the Union County Committee of Clifton, has issued an able and well-timed address to the people of that county showing them the importance of the county election. The Captain will make a strong fight—he is able, energetic, and enthusiastic in the cause of Right.

We see by a report of a Democratic Convention held in Wellsboro last week that our fellow townsman F. W. Knox, Esq., is nominated by that county for Senator of the District. We hope he will excuse us if we express our profound sympathy for him in this new calamity, and further hope he may wear his "blushing honors" (?) as becomes a representative of the untimely of Potter.

THE LEWISVILLE ACADEMY.

Will open on Monday October 2d, under the charge of Rev. J. C. Stevens, (late of Lima). Tuition in common English \$3, in Academic studies \$4. Rooms can be rented and board obtained with good families in the village, at reasonable rates.

The following persons have been elected to Congress in Tennessee:
Upper East Tennessee—N. J. Taylor, U. Knoxville District—Horace Maynard, U. Chattanooga District—Asa Faulkner, C. Nashville District—W. B. Campbell, C. Clarksville District—D. B. Thomas, C. West Tennessee—Colonel Hawkins, U. Memphis District—Dr. Lewicki, U. Shelbyville District—Edward Cooper, U.

The Locality of the "last ditch," in which the rebels boasted they intended to perish rather than yield to the accursed Yankees has been discovered to be situated at the foot of the stair-case leading to the President's business room in the White House. Hundreds of rebel officers and civil officials connected with the Confederate Government, can be daily seen in that ditch, where they insist they will die, unless Andy Johnson's pardon is forthcoming to cleanse them of their treason.—Ex.

Pittsburg is a queer place. Eating noses and ears and chewing fingers is a very common amusement there. But some of its citizens have a more delicate taste. Last week three men went into a lager beer saloon and two commenced catching all the flies therein while the third ate them as fast as caught on a bet that he could eat them quicker than his companions could catch them. They were arrested and fined three dollars each for the fun.—Ex.

We have received the first copy of *The Citizen*, published at Emporium, Pa., by Messrs. Young & Stacy, at \$2 per annum. It is well edited, neat in appearance, but neutral in politics, which we consider a great mistake. Neutral papers, excepting the vendors of dish-water novels, are of very little account in any community and we expect to see the *Citizen* soon take sides on the issues before the country. But neutral or not, the publishers have our sincere wishes for their success.

The Union State Executive Committee—Hon. John Cossin, Chairman, elected at Philadelphia on the 31st ult. and elected George W. Hamerick, Esq., Secretary. The attendance was large, and all appeared confident of success in October by an overwhelming majority. Among those present was Major General Harttrauf, the Union nominee for Auditor General. Among other items of business transacted was the passage of a resolution for a grand Mass Meeting at Williamsport during the holding of the State Fair.

Thomas M. Key, who has been nominated by the Democrats of Ohio for the Supreme Court, was formerly Major Key of McClellan's staff, who it will be remembered, was ignominiously dismissed the service by President Lincoln for asserting, after the battle of Antietam, that it was not the policy of the Government to suppress the Rebellion, but to allow it to continue until the people would be compelled to acknowledge the necessity of its termination by compromise. He is a fit representative of the Vallandigham Democrats of Ohio.

Hostetter's Celebrated Stomach Bitters.

READ REV. W. B. LEE'S LETTER:
Brooklyn, N. Y., May 25th, 1863.
Messrs. Hostetter & Smith:
Gentlemen—I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote a "paper" for any one, and I abhor every thing that savors of quackery. But your Bitters are entirely removed from the level of the mere nostrums of the day, being patent alike to all and exactly what they profess to be. They are not advertised to cure everything, but they are recommended to assist nature in the alleviation and ultimate healing of many of the most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the Spring, was bilious, and suffered from indigestion, and a general disease of the mucous membrane, and though compelled to keep at work in the discharge of my professional duties, was very weak, of a yellow complexion, no appetite, and much of the time confined to my bed. When I had been taking your Bitters a week my vigor returned; the yellow complexion was all gone, I relished my food, and now I enjoy the duties of the mental application, which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day. These are facts. All inference must be made by each individual for himself.
Yours, respectfully,
W. B. LEE,
Pastor of Green Avenue Presbyterian Church.
