My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable ture until we tried your Sarsaparilla. She has been well for some months."

Syphilis and Mercurial Disease.

DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Suphiliphoth of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurint disease, which grew mare and more aggravated for years, in spite of erery remedy or treatment that could be applied, until the persevering use of AYRE'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require however, in aid of the SARSAPARILLA, the skilled application of local remedies. application of local remedies.

"I have found your Saksaranilla an excellent alterative in diseases of females. Many cases of Irregularity, Lencorrhea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly nided by local treatment.

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucerhica of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,

when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA. AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their
