THE POTTER COUNTY JOURNAL
Coudersport, Tuesday Evening, Sept. 19, 1865.

Local and General.

The Allen Farm is offered for sale in another column.

Major Mills will be in town this week for the purpose of disposing of his fine Farm at Colesburg.

Read the advertisement of Fowler & Wells' Books. There is something for everybody.

Contractors will please notice the advertisement of the routes from this place to Wellsville.

Mr. Dingman, of Homer, handed us a potato last week, raised on his place in that township, and which weighs *Two Pounds*. Pretty good Murphy!

We commend to the attention of our Merchants the advertisement of Otis's New Floral Skirt. It is spoken of as the best in the market.

We learn from the *Citizen* that Oil has been discovered in several localities in Cameron county, but not yet in considerable quantity. Some of the wells are over 700 feet in depth.

The election in Maine was held on Monday and resulted in an overwhelming majority for the Union ticket. The people are not yet ready to surrender to the copperheads.

GRASSY WELLS.—We understand that Jacob G. Lebo, whom we noticed last week as having committed suicide, is likely to recover. The wound in his throat not being as dangerous as was at first supposed.—*Dellefonte*

Don't be foolish.—You can make Six Dollars from Fifty Cents. Call and examine our invention or gently needed by everybody. Of a simple sent free by mail for 50 cents. That retails easily for \$6, by R. L. Wolcott, 110, Chatham Square, New York.

The body of Col. Ulric Dahlgren, which was so masterfully buried near Richmond at the time of Kiplotrick's famous raid on that city, has been recovered, identified, sent north and re-interred in Washington. Col. Dahlgren's watch was stolen at the time, and was also recovered.

Preserv.—The attention of a little girl having been called to a rosebush, on whose topmost stem the oldest rose was fading, whilst below and around it turbe beautiful crimson buds were just unfolding their charms, she at once and artlessly exclaimed to her mother: "See! Willie, these little buds have just awakened in time to kiss their mother before she dies."

CURIOUS COUNTY.—The editor of the *Republican* is central charged with libelling the respected District Attorney. —*Edw. W. White* is at home from Fort Scott, Kansas. He will renew his family to that country. Some members of the 7th Pa. Cavalry recently gave a supper to their citizen friends at Lock Haven. Messrs. James Chatham, C. A. Leman and H. T. Harvey were present and responded eloquently to an invitation to speak. At the conclusion of Mr. Chatham's address, which was exceedingly felicitous, was presented with a handsome silver cup and beautiful bouquet, in behalf of Sergt. C. Tredell, of Co. B, and others.

Hostetter's Celebrated Stomach Bitters
READ REV. W. B. LEE'S LETTER.
Brooklyn, N. Y., May 28th, 1863.

Messrs. Hostetter & Smith:
Gentlemen—I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote a "puff" for any one, and I abhor every thing that savors of quackery. But your Bitters are entirely removed from the level of the mere nostrums of the day, being patent alike to the mere and exactly what they profess to be. They are not advertised to cure everything, but they are recommended to assist nature in the alleviation and ultimate healing of many of the most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the Spring. I was bilious, and suffered from indigestion, and a general disease of the membranes, and though compelled to keep at work in the discharge of my professional duties, was very weak, and of the time confined to my bed. When I had been taking your Bitters a week my vigor returned; the sallow complexion was all gone, I relished my food, and now I enjoy the duties of the mental application, which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day. These are facts. All inference must be made by each individual for himself.

Yours, respectfully,
W. B. LEE,
Pastor of Green Avenue Presbyterian Church.

CAUTION FROM THE AMERICAN WATCH COMPANY.

It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter want of skill to injure the reputation of our genuine products, to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches. The First has the name "AMERICAN WATCH CO." Waltham, Mass., engraved on the inside plate. The Second has the name "APPLETON, TRACY & CO., Waltham, Mass.," engraved on the inside plate. The Third has the name "S. BARTLEY, Waltham, Mass.," engraved on the inside plate. All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect. The Fourth has the name "WM. ELLERY, Boston, Mass.," engraved on the inside plate, and is not named on the dial.

All the above described watches are made of various sizes, and are sold in gold or silver cases, as may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass.,"—no such company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually known as the "Soldier's Watch." Others are named the "Appleton Watch Co.," others the "P. S. Bartley," instead of our "P. S. Bartley," besides many varieties named in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.

We also caution the public, and particularly soldiers, against buying certain articles called watches, so freely advertised in illustrated papers as "Army Watches," "Officer's Watches," "Magic Time Observers," "Arcane Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good watch, in these times, cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition.

BRANDRETH'S PILLS.
Whose timely use, under Providence has often saved life.

These celebrated Vegetable Pills are no new, untried remedy; they have been used and tested in the United States for thirty years, and are relied upon by hundreds of thousands of families as almost their sole medicine when sick. No care or expense is spared in their preparation, and it is certainly true when I assert that no King can have a medicine safer or surer than Brandreth's Pills.

They produce a good effect upon diseases almost immediately they are taken. By some wonderful power, perhaps electric or nervous influence, the progress of diseased action is arrested, when the system becomes quieter, and the patient soon obtains refreshing sleep.

The genuine Brandreth Pill Box has upon it a United States Government Stamp with B. BRANDRETH'S White Letters in the same.

BRANDRETH'S PILLS.
Whose timely use, under Providence has often saved life.

These celebrated Vegetable Pills are no new, untried remedy; they have been used and tested in the United States for thirty years, and are relied upon by hundreds of thousands of families as almost their sole medicine when sick. No care or expense is spared in their preparation, and it is certainly true when I assert that no King can have a medicine safer or surer than Brandreth's Pills.

They produce a good effect upon diseases almost immediately they are taken. By some wonderful power, perhaps electric or nervous influence, the progress of diseased action is arrested, when the system becomes quieter, and the patient soon obtains refreshing sleep.

The genuine Brandreth Pill Box has upon it a United States Government Stamp with B. BRANDRETH'S White Letters in the same.

One Flag, One Destiny!
This is the motto of our Government; and its champions

GRANT and SHERMAN are writing it in words of fire on the **BATTLE CLOUD.**

In the meantime, throughout the whole land **CHRISTADORO'S HAIR DYE** is winning its steat victories, changing red-bellows, grays and yellows into rich blacks and browns, and converting in a moment unsightliness into beauty.
