THE POTTER COUNTY JOURNAL
Coudersport, Tuesday Evening, Sept. 26, 1865.

Local and General.

Potatoes are selling for 40 cents a bushel in the northern part of Pennsylvania.

Wm. C. Reynolds is appointed Post Master in Hebron in place of C. P. Reynolds, resigned.

The Pennsylvania State Agricultural Society holds its Annual Exhibition at Williamsport, this week.

The population of Pit Hole is said to be 7,000 and of this number not fifty are females! What a happy place it must be! Long may it continue!

George Rowley, who resides on the Elevee Mite, was thrown from his wagon last week and had his shoulder injured very badly. So says the Wellsville Free.

In his Lancaster speech Gen. Sherman said that "a man who did not support the war was no man." The Democratic papers ain't quoting this much. It's personal.

The re-construction convention of Alabama decided by a vote of 58 to 34 not to repudiate the rebel State debt. We would be glad to see so strong a vote in the same body in favor of paying our National debt.

"The negro will starve," cries a Democratic journal. How many have starved? And how many white folks in the South too lazy to work would have starved if they had not been fed with Government rations?

C. H. Simmons has now three separate establishments in Wellsville. In the first he wholesales Flour and Feed, in the second he wholesales Groceries and Provisions, and in the third he supplies the public with all sorts of Dry Goods and Clothing.

A copperhead paper suggests that the Freedmen's Bureau "is a National Boarding School for niggers!" Considering the amount of rations distributed to "refugees," we should rather think it was an almshouse for the whites.

Mr. John S. Mann will please accept our thanks for some very fine Grapes, which he raised in his garden. They are of the Clinton variety, and very pleasant to the taste, and are best suited to this climate. Don't believe the "crankers" when they say "Grapes can't be raised in Potter."

J. P. Simmons has opened a new Store at Oswayo in one of the rooms formerly occupied by C. H. Simmons. He has a hard task before him if he undertakes to follow in the footsteps of his illustrious predecessor. Give him a call and see for yourself—he has good recommendations as a business man.

The Democracy in the Elk and Clearfield Assembly District have followed the example of the Charleston Convention. T. J. Boyer, who obtained such an unenviable notoriety in the late State Senatorial canvass, is in the field for Clearfield; and Dr. Early, the true Cop, maintaining the contest for Elk. This is a Kilkenny cat-fight and we wish the combatants a like result.

We heard it whispered on the street the other night that the "Knights" had put in the field a County Ticket, but have not yet discovered that there was "anything in it." Our earnest wish and hope is that they may be so thoughtful of the interests of our party and go to work. It would surely aid to the Union vote and majority on the State Ticket.

On Sunday, 13th inst., Hannah E. Lewis, two miles east of Coudersport, Tioga Co., N. Y., shot herself through the heart with a shot-gun. Cause, disappointment in love.

Exchange.

Candor compels us to say that the reversing the rule established at Washington. Miss Lewis should have shot the "other fellow." Show us the shot, Cobb? Then a disappointment wouldn't so agitate!—Warren Mail.

A day or two ago, a soldier, who had served in twenty-one engagements, informed us that a Copperhead in town asked him if he was certain of having ever shot a rebel? The soldier could not tell, but, having fired near 300 rounds into a solid corps of rebels, he thought it probable that some of them took effect. The Cop told him that if he had, he was a deliberate murderer. This is the way the Copperheads talk; and it is also the way they advocate to "put down the Rebellion." It was all right for the Rebels to shoot down Copperheads, but murder for the latter to defend their country and themselves.

DIED.

In Coudersport, Pa., Sept. 18, 1865, ARTHUR ADLBBERT son of Calvin L. and Lodema Palmer, aged 7 years, 9 months, and 2 days.

At his residence in Keating township, on Saturday, Aug. 12, JOSEPH A. DINGEE, late of Co. C, 97th Regt., Pa., Vols., aged 39 years, 9 months, and 8 days.

Mr. Dingee endured a long and painful illness in Camp and Hospital, receiving just enough to be brought home, where he lingered a few weeks, and was called to eternal rest. Him shall no earthly sorrow wound, Life's pain and discord vex no more, Whom God our Lord hath crowned with peace After the fight was o'er.

Also, Aug. 15th, of Diphtheria, NELSON P. son of Joseph A. and Martha J. Dingee, aged 5 years, 8 months and 25 days.

Also, Sept. 2d, EARNEST J. WESLEY, second son of Joseph A. and Martha J. Dingee, aged 4 years, 6 months and 23 days.

Little brothers, side by side
Folded to the kind Earth's breast,
All the golden Summer hours,
Calm and peacefully they rest.
Birds of morning sing to them,
And the wild flowers smile around,
Aut they do not wake nor know.
Nay! their little hands are filled
With immortal blossoms sweet,
And along that Holy Hill
Tread their little wandering feet!
Now, before the Throne, they stand
Singing hymns of gladness o'er—
Those who loved them mourn and weep,
But they sorrow nevermore! E. A.

CAUTION FROM THE AMERICAN WATCH COMPANY.

If having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches.

The First has the name "AMERICAN WATCH CO. Waltham, Mass.," engraved on the inside plate.

The Second has the name "APPLETON, TRACY & CO., Waltham, Mass.," engraved on the inside plate.

The Third has the name "P. S. BARTLETT, Waltham, Mass.," engraved on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect.

The Fourth has the name "WM. ELLERY, Boston, Mass.," engraved on the inside plate, and is not named on the dial.

All the above described watches are made of various sizes, and are sold in gold or silver cases, and may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass.,"—no such company existing. Some are named the "Soldier's Watch," to be sold at our Fourth of July, Military style, usually known as the "Soldier's Watch." Others are named the "Appleton Watch Co." others the "P. S. Bartlett," instead of our "P. S. Bartlett." Besides many varieties named in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.

We also caution the public, and particularly soldiers, against buying certain articles called watches, so freely advertised in Huzzar's papers as "Army Watches," "Officer's Watches," "Magic Time Observers," "Artillery Watches," &c., the prices of which are stated to range from seven to sixteen dollars. A good watch, in these times, cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition.

BRANDRETH'S PILLS.
Whose timely use, under Providence, has often saved life.

These celebrated Vegetable Pills are no new, untried remedy; they have been used and tested in the United States for thirty years, and are relied upon by hundreds of thousands of families as almost their sole medicine when sick. No care or expense is spared in their preparation, and it is certainly true that a "cure" that no King can have a medicine safer or stronger than Brandreth's Pills.

They produce a good effect upon disease almost immediately they are taken. By some wonderful power, perhaps electric or nervous influence, the progress of diseased action is arrested; where restlessness and pain have been present, the system becomes quieter, and the patient soon obtains refreshing sleep.

The genuine Brandreth Pill Box has upon it a United States Government Stamp with B. BRANDRETH in White Letters in the same.

Hostetter's Celebrated Stomach Bitters.
READ REV. W. B. LEE'S LETTER.
Brooklyn, N. Y., May 23th, 1863.

Messrs. Hostetter & Smith:
Gentlemen—I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote a "puff" for any one, and I labor every thing that savors of quackery. But your Bitters are entirely removed from the level of the mere nostrums of the day, being patent alike to all and exactly what they profess to be. They are not advertised to cure everything, but they are recommended to assist nature in the alleviation and ultimate healing of many of the most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the Spring. I was bilious and suffered from indigestion, and a general disease of the mucous membrane and though compelled to keep at work in the discharge of my professional duties, was very weak, of a yellow complexion, no appetite, and much of the time confined to my bed. When I had been taking your Bitters a week my vigor returned; the sallowness was all gone, I relished my food, and now I enjoy the duties of the mental application which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day! These are facts. All inference must be made by each individual for himself.

Yours, respectfully,
W. B. LEE,
Pastor of Green Avenue Presbyterian Church.
