The Groveteen Piano Forte still retains its precedence and great popularity, and after undergoing gradual improvements for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume and purity of tone, durability and cheapness. Our new scale French action, harp pedal, iron frame, over-strung bass, seven octave, rosewood pianos were are selling cheaply for from \$100 to \$200 than the same style and finish are sold by any other first class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing the Catalogue. Medals, almost without number, have been awarded to the Groveteen Piano, and at the Celebrated World's Fair, though put in competition with others from all parts of Europe and the United States, it took the highest award. NEW SKIRT FOR 1865-6.
THE GREAT INVENTION OF THE AGE IN HOOP SKIRTS.
J. W. Bradley's New Patent Duplex Elliptic (or double) Spring Skirt.
This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and Durable Spring ever used. They seldom bend or break. Like the Single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any Single Spring Skirt that ever has or can be made.
The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.
The Hoops are covered with 2 ply twisted thread and will wear twice as long as the Single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.
All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect Shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

INCREASE OF RATS.—*The Farmer's Gazette (English)* asserts and proves by figures that one pair of rats will have a progeny and descendants no less than 631,050 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

"E" "JONES' CLERK"—says he can "beat the Jews" selling Cotton Goods.

The peculiar faint or infection which we call SCROFULA lurks in the constitutions of multitudes of men; either produced or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the general infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children" until the third and fourth generation; indeed, it seems to be the rod of Ilm who says, "I will visit the iniquities of the fathers upon their children." The disease it originates takes various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptions and cutaneous affections. These, all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combat vices truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from Tuberculous Deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief! Those cases are purposely taken from all sections of the world, in order that every reader may have access to some one who can speak to him of his benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.
We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.
This has been so long used and so universally known, that we need no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
