Sober Facts for Thinking People.

Year after year, for an eighth of a century the Press of the country have chronicled the beneficial effects of HOSTETTER'S STOMACH BITTERS, Editors, authors, physicians, mer-chants, officers of the army and navy, chemists, counsellors, ministers of the gospel, in short, a great cloud of witnesses of every profession, trade and calling have testified to its efficacy as a tonic and regulating medicine. The names and statements of these witnesses Their testimony has never been challenged or impugned. Upon evidence far less weighty men are acquitted or condemned by conscien-

tious juries.

Hostetter's Stomach Bitters is not, however, upon trial. It has oeen tried and pronounced on the authority of those whose lives and health it has preserved, a pure, harmless, and emineatly salutary preparation. Attempts have been made to rival it. They have failed. Can it be necessary to say why they have failed? Ask the recovered dyspeptics, bilious suffererers, victims of fever and ague, and Coudersport nervous subjects who have experienced its Philander Reed's effects, what they think of it. Ask them and Hydorn School House, be guided solely by what they say Sold Shaton Centre,
