of various sizes, and are sold in gold or silver cases, as may be required. It is hardly possible for us to accurately

escribe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass." no such company existing. Some are amed the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually nown as the "Soldier's Watch." Others are amed the "Appleton Watch Co.;" others he P. S. Bartler, instead of our "P. S. Bartett;" besides many varieties named in such manner as to convey the idea that they are he veritable productions of the American Watch Company. We also caution the public, and particu-

larly soldiers, against buying certain articles CALLED watches, so freely advertised in illus-trated papers as "Army Watches," "Officer's Watches," "Magic Time Observers," "Arcana Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good watch, in these times, cannot be afforded; > any such money.

A little attention on the part of buyers will protect them from gross imposition.
