Beware of Ambuscades.

Pew people realize the fact that disease lies in ambush everywhere, ready to seize upon the weak. The strong pass through many perils in safety, the strengthless fall by the

It is amazing that the feeble should totter in danger every day of falling victims to the morbid influences by which we are all surrounded, when a tested and proven vegetable space will not allow of a more extended tonic capable of endowing them with the vig-or they need, is procurable in every city, town and settlement. It might reasonably be that that after the tweive year's experience which the world has had of Hostettee's STOMACH Birrass, all would knew that its effect is to prevent disease.

The fact is notorious that a dose of poisou which will scarcely affect a vigorous man in perfect health will kill a weak one, Now what is the cause of epidemic diseases? Poison in the gir. At this season the atmosphere is surcharged with the seeds of intermittents,remittents, rheumatism, pulmonary disorders, billious cemplaints, and the like. Persons first to succumb to these distempers. Brace up the physical energies then, with this poup the paysical energies then, with this pot-tential regetable tonic. It is the most pow-erful recuperant which the botanic kingdom has ever yielded to patient research and ex-experiment. Try it. The blindest disciple of the old medical dogmas will at least admit that a tonic and alterative, compounded of approved herbs, roots, and barks, can do no harm, while the testimony of thousands invites a trial of its virtues.
