CAUTION FROM THE AMERICAN WATCH COMPANY.
 It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.
 We manufacture four styles of Watches.
 The First has the name "AMERICAN WATCH CO. Waltham, Mass." engraved on the inside plate.
 The Second has the name "APPLETON, TRACY & CO. Waltham, Mass." engraved on the inside plate.
 The Third has the name "P. S. BARTLETT, Waltham, Mass." engraved on the inside plate.
 All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect.
 The Fourth has the name "W. M. ELLERY, Boston, Mass." engraved on the inside plate, and is not named on the dial.
 All the above described watches are made of various sizes, and are sold in gold or silver cases, as may be required.
 It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass."—no such company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually known as the "Soldier's Watch." Others are named the "Appleton Watch Co.," or the P. S. Bartlett, instead of our "P. S. Bartlett," besides many varieties named in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.
 We also caution the public, and particularly soldiers, against buying certain articles called watches, so freely advertised in illustrated papers as "Army Watches," "Officer's Watches," "Magic Time Observers," "Arcana Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good watch, in these times, cannot be afforded for any such money.
 A little attention on the part of buyers will protect them from gross imposition.

PATRONAGE.
 This Institution is now enjoying the largest patronage ever bestowed upon any commercial school in the State. Over five hundred students were in attendance the first term of the present year, and more than a thousand during the past year. The best class of students may invariably be found here, and all its associations are first class.

FOUTZ'S
 Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly incorporate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.
 It is a sure preventive of all diseases incident to the system, such as LUNG FEVER, GLANDERS, YELLOW WATER, HAIVES, Scurvy, Rheumatism, Hides, and TEMPER, PEPPER, FOUNDER, LOSS OF APPETITE, AND APPROPRIATE ENERGY, &c. Its use improves the wild and vicious temper, gives a strength and pluck which transforms the miserable skeleton into a fine-looking and spirited horse.
 To owners of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens the bowels, and makes them thrive much faster.
 In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper of the powder in a barrel of swill the above diseases will be eradicated, or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.
