CAUTION FROM THE AMERICAN WATCH COMPANY.

It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, and to protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches. The First has the name "AMERICAN WATCH CO." Waltham, Mass., engraved on the inside plate. The Second has the name "APPLETON, TRACY & CO., Waltham, Mass." engraved on the inside plate. The Third has the name "P. S. BARTLETT, Waltham, Mass." engraved on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect. The Fourth has the name "WM. ELLERY, Boston, Mass.," engraved on the inside plate, and is not named on the dial.

All the above described watches are made of various sizes, and are sold in gold or silver cases, as may be required. It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyer.

Some are represented as made by the "Union Watch Co. of Boston, Mass."—such a company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style, usually known as the "Soldier's Watch." Others are named the "Appleton Watch Co.," others the P. S. Bartlett, "instead of our P. S. Bartlett," besides many varieties named in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.

We also caution the public, and particularly soldiers, against buying certain articles called watches and freely advertised in illustrated papers as "Army Watches," "Officer's Watches," "Magical Time Observers," "Arcanum Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good watch, in these times, cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition. ROBBINS & APPLETON Agents for the American Watch Co., 132 Broadway, New York.

ARTHUR MERTON; OR, SINGING and SORROWING. By Miss CAROLINE E. KELLY. Author of "Beatrice, the FAUNDER'S Daughter," "Apothecary," &c., &c.

Beautifully Illustrated. Price, \$1.25. THIS is a book that cannot fail to do great good. It is from the pen of one of the most successful writers of the present day, as the name of Miss Kelly is a household word in thousands of homes where her excellent books have been read with avidity, profit and delight.

PARENTS—The book will have a salutary influence in every home circle, because the narrative of "Arthur Merton" is a rare one, in all its important particulars. He was a youth employed in one of our large cities, and through the example of wicked associates, he was tempted to do wrong. The evil consequences of such a course are most clearly shown, and the shoals pointed out on which so many sons make shipwreck.

Single copies of the book sent by mail to any address on receipt of the price. Sample copies of our paper, the *Sunday School Times*, furnished free on application.
