

**JENNIE'S GROOMING.**  
Oh! Jennie Gray was young and fair,  
With azure eyes and sunny hair,  
Which gently lay around a rare  
and beautiful throat, and a bust of sym-  
metry. Full many a lover, I weaned,  
and repined, and cursed cruel fate that  
they had not been one of Jennie's curls  
instead of a man; for strange to tell,  
nothing favoring of masculinity has ever  
endured Jennie's neck. If her lovers  
had only been curls, they could—  
Upon her breast find couch of ease,  
Or wander with her 'mong the trees,  
And kiss her cheek with every breeze.  
John Henry was a lover bold,  
The mimic of silver and gold,  
And Jennie's heart once so cold,  
Was melted by the first glance of his lov-  
eliest eyes. She likened him in her vestal  
imagination, to Apollo, because he had  
red hair, to Orpheus, because he was a  
sweet singer, and played the fiddle; and  
to Adonis, because he was a youth of fair  
proportions, and comely to look upon. She  
remembered when the beloved object of her  
love adoration was not near, like the  
wind through an oak-tree squirrel-hole.  
Her cruel father had sworn by the red  
and mass, if he caught him with Jennie,  
that he would creep behind him sly,  
And let his heavy peg-foot fly  
At him a la-potter's!

**CAUTION FROM THE  
AMERICAN WATCH COMPANY.**

It having come to our knowledge that imi-  
tations of the American Watch have been  
put upon the market in great number, calcu-  
lated by their utter worthlessness to injure  
the reputation of our genuine products, to  
protect our own interests and the public from  
imposition, we again publish the Trade marks  
by which our Watches may invariably be  
known.

We manufacture four styles of Watches.  
The First has the name  
"AMERICAN WATCH CO. Waltham  
Mass." engraved on the inside plate.  
The Second has the name  
"APPLETON, TRACY & CO. Waltham  
Mass." engraved on the inside plate.  
The Third has the name  
"P. S. BARTLETT, Waltham, Mass." en-  
graved on the inside plate.  
All the above styles have the name Ameri-  
can Watch Co. painted on the dial, and are  
warranted in every respect.  
The Fourth has the name  
"WM. ELLERY, Boston, Mass." engraved  
on the inside plate, and is not named on the  
dial.

All the above described watches are made  
of various sizes, and are sold in gold or silver  
cases, as may be required.

It is hardly possible for us to accurately  
describe the numerous imitations to which  
we have alluded. They are usually inscribed  
with names so nearly approaching our own  
as to escape the observation of the unaccus-  
tomed buyer. Some are represented as made  
by the "Union Watch Co., of Boston, Mass."  
—no such company existing. Some are  
named the "Soldier's Watch," to be sold as  
our Fourth or Wm. Ellery style, usually  
known as the "Soldier's Watch." Others are  
named the "Appleton Watch Co.," others  
the "P. S. Bartlett," instead of our "P. S. Bar-  
lett," besides many varieties named in such  
a manner as to convey the idea that they  
are the veritable productions of the American  
Watch Company.

We also caution the public, and particu-  
larly soldiers, against buying certain articles  
called watches, so freely advertised in illus-  
trated papers as "Army Watches," "Officer's  
Watches," "Magpie Time Observers," "Arcanum  
Watches," &c., the prices of which are stated  
to run up to sixteen dollars. A good watch,  
in these times, cannot be afforded for  
any such money.

A little attention on the part of buyers will  
protect them from gross imposition.

in which students of this Institution are permitted to  
practice. No regular office practice can be had in any  
other school of instruction in the country, without

**FOUTZ'S  
CELEBRATED  
Horse and Cattle Powders.**

This preparation, long and favorably  
known, will thoroughly reinvigorate  
broken-down horses, and restore  
low-spirited horses, by  
strengthening and  
cleaning the  
stomach and in-  
testines.  
It is a sure pre-  
ventive of all dis-  
eases incident to  
this animal, such as  
LUNG FEVER, GLANDERS,  
YELLOW WATER  
BARK, HAEMORRHOIDS,  
COUGHS, DIS-  
TEMPER, PE-  
TITIE, RHEUMATISM,  
LOSS OF AP-  
PETITE AND VITAL  
ENERGY, &c. Its  
use improves the  
wind, increases  
the appetite, gives  
a smooth and  
glossy skin, and  
transforms the  
mischievous animal  
into a fine-looking and spirited  
horse.

To keepers of Cows this preparation is invaluable.  
It increases the quantity and improves the quality  
of the milk. It has  
been proven by ac-  
tual experiments to  
increase the quan-  
tity of milk and  
cream twenty per  
cent, and make the  
butter firm and  
sweet. In fattening  
cattle, it gives them  
an appetite, lessens  
their hide, and  
makes them thrive  
much faster.

In all diseases of Swine, such as Coughs, Ulcers in  
the Lungs, Liver, &c., this article  
acts as a specific.  
By putting from  
one-half a pound to  
one pound in a  
barrel of swill the  
above diseases will  
be eradicated  
or entirely prevented. If given in time, a certain  
preventive and cure for the Hog Cholera.
