The people of Tennessee are advocating the partition of that State. A convention for the deliberation of this proposition, is to assemble in East Tennessee on the 3d inst. ' The people of Kast Tennessee are very earnest for this partition, and assert that they can support a separate State government with great ease.

We are indebted to the Census Resurns (Agricultural Department, page exii) for the information that "there are more asses in Kentucky than in any other Western State." This information takes a rest Steel Rails are being adopted by the load off our mind, in connection with the roads of the United States, as the cheapest, question, how Garret Davis came to the safest and most economical, in the wear of though we cannot help thinking it is flagrant violation of the Constitution to allow them all to vote.

General Grant in a recent conversation with Rev. George Hepworth of Boston, said of General Sherman : "Sherman is a man to be groud of. He is impetuous, he is faulty, but, he knows his own fault as soon as any man." And of Sheridan he said: "He is the best man in America. He has no peer. He can wield any force. He is pure hearted, simple mannered and could have dene the thing as well as I. I am thankful to God that He helped me to do the work, but had I not been living, or had the Government passed over me, the: e are other men who would have wou the victory for you."

PRESIDENTIAL BRAG .- There are thousands of men at the North who perilled all that men can peril and did all that men could do to put down the liebellion. Most of these, to their honor, have returned to peaceful pursuits of priwate life, and are never heard boasting of their achievements or making a parade of the dangers they encountered and the losses they incurred There are tens of thousands of homes at the North where the eyes of kindred are still wet with proud mourning for the host of young proud mourning for the host of young in contague in the county created. heroes who found soldier's graves in their in favor of the report -- Anthony, Brown, ily apparent. We say this not to com-devotion to freedom.
