Britain may yet have a taste of the "Alabama."

The Mew Pork Merald reports that the that we may soon expect to hear of it preying upon English commerce. Britain may yet have a taste of the "Alabama."

The Mew Pork Merald reports that the that they bear of it preying upon English commerce. Britain may yet have a taste of the "Alabama."

The Mew Pork Merald reports that they there are seed to the states, with that follows the right to discuss and investigate public measures and State institutions. Was that permitted in the case of Slavery? Since the rebellion began a few papers have been suppressed and all few orators silenced. And why? Not that they were appealing peaceably to the julgment of the people, hot that they were seeking to change by legitimate means the form, or anylof the institutions of the government, but that they were seeking to aid armed irebellion! That was the only reason. Hundreds of these papers are yet in existence, still enjoying the benefits of a free government, and still casting forth, daily and weekly, plausible arguments in defence of trasson, and bold words in denue, of the men who warled against their country from absolute starvation. The planters, who, the starvation of the men who warled against their country from absolute starvation. The planters, who, Roys in Blue unanimously support Gen.
Geary.

We publish in full the proceedings of the Soldier's Convention, at Pittsburg, knowing that they must be of interest to everybody, as their proceedings are a clear exposition of the feelings which animate the Preservers of the Republic. Read them—they are highly interesting, and contain some very sensible reconstruction ideas.

treason, and bold words in denunciation of the Defenders of the Nation. It has not been three weeks since the Chicago Times comparison owned thousands of acres of rich land and were surrounded by thousands of willing and industribus laborers, have been taught by the feelings which animate the Preservers of the Republic. Read them—they are highly interesting, and contain some very sensible reconstruction ideas.

Treason, and bold words in denunciation of the Defenders of the Nation. It has not been three weeks since the Chicago Times comparison owned thousands of acres of rich land and were surrounded by thousands of willing and industribus laborers, have been taught by Union soldiers and the freedmen's bureau has their proceedings are a clear exposition of Justice, is patent to every right thinking citizen.
