Dog days are fairly upon us and this is truly the sickly season. Do not be without a supply of Coe's Dyspersia Cure in the house. It cures cholera morbus, cramps, pains and colic in either stomach or bowels, is the only remedy ever discovered that is a sure cure for dyspepsia, and is a splendtd antidote for disor-ders occasioned by a change of water or diet; being prompt, harmless and certain in its action, we cheerfully recommend it to all classes.

INSURANCE.

The Ætna's Loss by the Portland Fire! The total amount covered by Ætna Policies on property destroyed or damaged is \$206,854 on which salvage will be about 5 per cent. Our total loss will not vary much from \$200,000,and is being promptly adjusted and paid. This sum is 5 per cent. upon the assets, a figure but slightly exceeding the Government and State taxes paid last year, or a proportion equal to a \$5000 loss for a company of \$100,000 assets. The necessity for insurance and the value of wealthy, strong corporations, is forcibly illus-trated by this fire. Several weak insurance Companies are destroyed. Portland has a population of 35,000; was handsomely built, mostly fine brick or stone structures—protected and screened with upwards of 3000 shade trees—bounded on three sides by water—indeed, literally, almost rising from the ocean—and with a good steam fire department—yet it has \$10,000,000 of property consumed in a few hours—upon a holiday when its people are least occupied-from the very insignicant cause of a con-

remptible fire cracker.
