ness or Commercial College in the country.

mitted to confer Degrees of merit. Diplomas awarded

petent and authoritative authority of law.

ences and employments of business life.

dent in the shortest time the complete mastery of the
routine details, customs and forms of business in
general, as conducted in the best regulated commer-
cial and financial establishments.
THEORETICAL BOOK-KEEPING
Upon a new plan, with an original exposition of the
science of accounts, arranged and published by the
proprietor of this Institution exclusively for his own
use, saving one-half the ordinary labor of the student,
and giving him a complete knowledge of the practice
of the best accountants.
THE COMMERCIAL COURSE
EMBRACES

manship, Business Correspondence, Com-
mercial Law, Lectures on Business
Affairs, Commercial Customs,

ness Practice.

graphy, Ornamental Penmanship, the Art of
Detecting Counterfeit Money, Engineering,
Surveying, Navigation and Telegraphing.
TELEGRAPHING.
The arrangements for Telegraphing are far in ad-
vance of anything of the kind ever offered to the pub-
lic. A regular Telegraph Line is connected with the
Institution with twenty branch offices in various parts
of the city, where public business is transacted, and
in which students of this Institution are permitted to
practice. No regular office practice can be had in any
other school of instruction in the country, without
which no one can obtain a position as a practical op-
erator. Young men are cautioned against the decep-
tive representations of those who, without any such
facilities, pretend to teach Telegraphing.
PATRONAGE.
This Institution is now enjoying the largest patronage
ever bestowed upon any commercial school in the
State. Over five hundred students are now pursuing
the first year, and over seven hundred during the
past year. The best class of students may invariably
be found here, and all its accommodations are first
class.
LOCATION and ACCOMMODATIONS.
The Institution is located in the most central part
of the city, and its accommodations, for extent, ele-
gance and convenience, are unequalled. All the
facilities have been fitted up in the very best style with
Business Offices or Consulting Rooms, Telegraph
Offices, Stationery Store, and a regular
BANK OF DEPOSIT AND DISCOUNT
supplied with finely engraved lithographic notes
used as a circulating medium in the Department of
Actual Business.
TO YOUNG MEN
who desire the very best facilities for a Practical
Education for Business, we guarantee a course of
instruction no where else to be equalled, while the
reputation and standing of the Institution among
business men make the course the most present to
success and advancement. All contemplating

FOUTZ'S
CELEBRATED
Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly renovate broken-down and low-spirited horses, by strengthening their constitutions, and clearing the stomach and intestines. It is a sure preventive of all diseases incident to the horse, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, BRUISES, COLIC, and TEMPER. FEVERS, FOUNDER, LOSS OF APPETITE, and other ailments. Its use improves the wind, increases the appetite, gives a smooth and glossy skin, and transforms the miserable skeleton into a fine-looking and spirited horse.
To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent, and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their bowels, and makes them thrive much faster.
In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel with the above diseases will be eradicated. If given in time, a certain preventive and cure for the Hog Cholera.
