Lyon's Periodical Drops!

The Great Female Remedy for Irregularities. These drops are a scientifically compounded fluid preparation, and better than any Pills, Powders or Nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of the United States, every one of whom speak in the strongest terms of praise of their great merits. They are rapidly taking the place of every other Female Remedy, and are considered by all who know such of them, as the surest, safest, and most infallible preparation in the world for the cure of all Female complaints, the removal of all obstructions of nature, and the promotion of health, regularity and strength. Explicit directions stating when they may be used, and explaining when and why they should not, nor could not be used without producing effects contrary to nature's chosen laws, will be found carefully folded around each bottle, with written signature of JOHN L. LYON, without which none are genuine.

Prepared by Dr. JOHN L. LYON, 195 Chapel Street, New Haven, Conn., who can be consulted either personally or by mail, (inclosing stamp,) concerning all private diseases and female weaknesses.

Sold by Druggists everywhere. Price $1 50 per Bot.

Ayer's Cathartic Pills

ARE the most perfect purgative we have been able to produce, and, as we think, has ever yet been made by any body. Their effects have abundantly shown to the community how much they excel the other medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow disease, stimulate sluggish or disordered organs into their healthful action, and impart tone and strength to the whole system. Not only do they cure the every day complaints of everybody, but the formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and, being purely vegetable, they are entirely harmless. Cases have been made that would surpass belief, were they not substantiated by men of such exalted character as to forbid the suspicion of untruth. Many eminent clergymen and physicians testify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of their afflicted fellow men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use of these medicines and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require a mild cathartic medicine. They also, by purifying the blood and stimulating the system, cure many diseases which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a disordered state of the body, or derangement in the vital functions.

Do not be put off by unprincipled dealers with other preparations which they may have to sell. Demand Ayer's and take no other. They are the best that can be had, and will cure you and your children the best there is for them, and they should have it.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

ASTHMA CURED.

Mr. Wm. May, of 245 Spring Street, New York, writes, Jan. 1, 1866: I have been afflicted with asthma for upwards of ten years, receiving to be cured from medical men. I was advised by a friend to try one of Allcock's Porous Plasters. I said I had tried several kinds of plasters without any benefit, and supposed they were all alike. My friend gave me one of Allcock's, and urged me to use it. I did so, and have now worn them steadily for nine months, and find myself better than I have been for many years. Venetian Liniment.

AN INSTANTANEOUS REMEDY FOR chronic rheumatism, headache, toothache, croup, colic, quinsy, sore throat, and pains in any part of the body. Remember, this article is a success—not an experiment; for 19 years it has been tested. No medicine ever had such a reputation in this city, literally it has worked its way before the public, and all are loud in its praise. "Chronic rheumatism." Thousands who had laid for weeks on a bed of agony, and never walked without the aid of crutches, with the complaint, can testify to the magical effects of the Liniment. Remember, relief is certain, and a positive cure is sure to follow. Headache of all kinds we warrant to cure. Putrid sore throat, quinsy, and diphtheria are robbed of their terrors by a timely use of the Venetian Liniment. It has saved hundreds the past three months. Price 40 and 80 cents a bottle. Office, 56 Cortlandt street, New York. Sold by all Druggists.

The Season of Storms.

The blasts of autumn and the chill storms of early winter are apt to make sad inroads upon the constitutions of the feeble. In old times at the commencement of every season it was the fashion to take a strong cathartic as a safeguard against a change of temperature. It was a worse than senseless practice. The people of our day understand the matter better. Instead of depleting the system they reinforce it. In the method they adopt they exhibit a wise discrimination. Instead of resorting to the vitiated stimulants of commerce, or any of the compounds derived from them, they put their faith in the only absolutely pure invigorant procurable in the market—HOSTETTER'S STOMACH BITTERS. Their faith is well founded. Never has any tonic medicine been prepared with such scrupulous precision and conscientious care. It is a vegetable compound of which every ingredient is sound, wholesome and medicinal in the true sense of the word. Now we have three prominent national complaints. One-half of the adult population of the United States suffer more or less, either from diseases of the stomach, derangements of the liver, or affections of the kidneys. In no other land under heaven are those maladies so general as in this country, and HOSTETTER'S BITTERS is a specific for them all unless organic in their origin, and, therefore, beyond cure. And let those who are fortunate enough to be exempt from at present understand one great fact, viz: that an occasional use of this vitalizing tonic will as certainly prevent them as the sun will prevent the earth from freezing where its genial beams descend.

THE POTTER COUNTY JOURNAL

Coudersport, Tuesday Evening, Nov. 27, 1865.

Local and General.

☞ As winter is rapidly approaching and fires will become more numerous, see to it that your buildings are insured. Call at the JOURNAL OFFICE AGENCY. Policies issued in the best Companies of the country at fair rates.

☞ See change in the Philadelphia & Erie Railroad Time-Table.

☞ We learn that all the conductors on the Philadel. & Erie Road have been arrested on the charge of stealing from the company.

☞ To those wishing a paper from the central part of the State we can recommend the *Harrisburg Telegraph*, advertised in another column. It will contain a full report of all the political, financial, and local news of the day; and is unquestionably true to the best interests of State and country.

☞ Farmers who have large barns with their summers' crop in them, will do well to see that they are Insured. No one who exercises common discretion will refuse to insure at this season of the year. Don't wait until it is too late, and then say: "I meant to be insured." Procrastination not only steals time, but very often both time and money.

☞ About an inch of snow has been on the ground the last day or two, and with the frosty mornings, forces the conclusion that winter is really here. Remember the poor. The long winter months will exhaust their small store, and want and privation will be their constant companions. Relieve their necessities. "Cast your bread upon the waters." We have but a few in our vicinity who will need help, let it be given freely, not grudgingly. "The Lord loveth a cheerful giver."

☞ There will be Thanksgiving Services in the Methodist Church at 11 o'clock, of Thursday. Rev. L. A. Stevens, Pastor.

☞ We have received from Thaddeus Firth, 563 Broadway, one of the most popular Music Publishers of the country, the following new and entertaining pieces of Sheet Music: Stigelli's Dream of Home, a Fantasie; To Mary in Heaven, Song, very pretty, words by Burns; Murmuring Rill, Mazurka Caprice; Softly o'er the Rippling Waters, Song; The Style of Thing—this is a capital hit at the follies of the fashions; and Do not Crush the Roses. Catalogues sent on application.

☞ Some malicious and evil-disposed person poisoned the public Newfoundland Dog belonging to Mr. P. A. Stebbins, of this village. Friendly and inoffensive, he was much prized by the family and admired by almost every person. There is no language sufficiently strong to denounce the act of a person who is too cowardly to display his malice by other means than poisoning his neighbors domestic animals. A dog of Capt. N. J. Mills, was poisoned at the same time.

☞ The publishers, Messrs. S. S. Scranton & Co. of Hartford, Conn., have our thanks for a copy of Frank Moore's "Women of the War." One of the few beautiful features developed by the War, was the heroic devotion of the American women. Particular instances are here cited and the separate stories told in that simple and pleasant style which has attracted many to the writings of Mr. Moore.

☞ We were in the town of Wellsville a few days ago, and although we had heard something of its improvement, were still incredulous and unprepared for the change. Six years ago, next spring, we first "put brogans" in the streets of this Southern Tier town, and we then thought it must surely be on the extreme borders of civilization and entirely without the pale of christian influences. Rugged, muddy, dull, and a strong smell of "forty-rod" whisky the only particularly active feature, there was very little of the attractive about it on that cold morning in May. The tops of the hills were still capped with snow, and down the long gorges whose sides were covered with evergreen or the briars and thistles of the wind-fall, the breath of winter still swept in short and angry gusts. Stumps and stump-fences, corduroy bridges and seemingly bottomless mud-holes, with buildings whose makers had evidently found the bottom of their purses before completion, or had died of general disgust and mortification, taken in connection with scraggy horses, the vilest stage coach that human ever rode in, and a gaunt and hungry look from the eyes of every creature to be seen, it certainly was not in a condition to be called the "loveliest village of the plain." But, we are glad to record that, owing to the emigration to it of some of the enterprising citizens of Potter, it is fast assuming respectable proportions, both as a dwelling and business place. Its streets present an active, business-like appearance—the sure sign of a prosperous and energetic people. —Among the few establishments we had time to visit, was our friend C. H. Simmons, formerly of the Oswayo, whose raid into high prices has made him notorious through a wide section of country, and given him a trade second to none, and which we are glad to hear is daily increasing. We found Messrs. Jones & Lyman, recently of our village, very finely settled as a Drug and Notion Store, whose countless articles gave evidence of their capacity to accommodate everybody. At Anderson & Doolittle's Hardware Store we found a fine assortment of everything usually found at such places; and which the gentlemanly proprietors assured us would be sold at the very lowest rate. While Opp, in the new Boston Clothing Emporium, is ready to "dress 'em up, so that their own mirror wouldn't know 'em." Coates' Furniture House was filled full of that which maketh glad the heart of the neat house-keeper. And, last but not least, ex-sheriff Burt, late of the Union House, in this place, and Mr. James Jones, of Bingham, have leased the Van Buren House, and are prepared to furnish "food for man and beast," in a style not surpassed in the Southern Tier City. Vive la Wellsville, and may ye prosper and grow fat!

☞ Do not fail to read the advertisement of Baxter & Co's Musical Instruments—it is best to purchase such things near home.

☞ The places of business will be closed on Thanksgiving Day. Friends in the country will please take notice.

☞ From what we can see in the public prints, Curtin stock for the United States Senate is receiving severe blows and is fast falling below "dull"—their being but one "active dealer" who seems anxious to keep it in market. "Forced loans" are never effective, even though they are taken in the shape of packed conventions. To be successful there must be no taint of "uncertainty" about it.

☞ We will send bills to all persons residing outside of the village, who are indebted to this office, with our next issue. Please be prepared for them; simple honesty will suggest their immediate payment. We have been very patient and have dunned very little during the six years we have published in Potter county, and now that we need our money, it is no more than just that it be forthcoming.

FIRE IN OSWAYO.

OSWAYO, Nov. 24, 1865.

DEAR SIR: This morning about five o'clock a fire was discovered in the store of H. Lord, which immediately extended to the store of N. Nelson, and also to the dwelling house of J. Bradley which had very recently become the property of H. Lord. The buildings were completely destroyed. A part of the Goods in each store were saved. Mr. Lord's loss is estimated at eight or nine thousand dollars; insured for five or six thousand dollars. Mr. Nelson's loss is estimated at between four and five thousand dollars; insured three thousand dollars. Corey & Son, who occupied Lord's chamber for a harness shop; loss about four hundred dollars and no insurance. The Post-Office was kept in Mr. Nelson's store—it was nearly a total loss. The surrounding buildings were saved only by the most extraordinary exertions.

Yours in haste, H. H. MYNSON.

MELODEONS!

CABINET ORGANS!

Piano Fortes!

THE subscribers have opened a Music Store in the new buildings recently erected by the

ALLEGANY ACADEMY OF MUSIC!

in the village of Friendship, where they keep on hand an extensive assortment of

Melodeons, Organs, and Pianos,

as can be found in any Music Store in New York or Boston.

There is scarcely anything in which there is so much deception in the manufacture of these Instruments. The outside is the work of Cabinet-makers. Any one who will reflect how much difference twenty five dollars will make in the appearance of a bureau or table, can readily understand how a few dollars expense may improve the outside of an instrument, while the inside may be utterly worthless. Any one can judge of the outside appearance, but only experienced judges can decide the value of the inside.

The great advantage which the subscribers offer to buy an Organ, or Melodeon, or a Piano, is that every instrument they have on hand is very carefully selected from the best makers, by

ONE OF THE PROFESSORS

OF THE

ALLEGANY ACADEMY OF MUSIC

thus rendering it certain that the instrument is perfect. They warrant every instrument, and will exchange or refund the money for every instrument that proves defective. They can also sell at less prices than any Music Stores as they do not have to pay the enormous city rents.

Our firm is composed of those who own the

Allegany Academy of Music.

As this Institution is permanently established in Friendship, those wishing to purchase Melodeons, Organs, or Pianos, will readily understand the value of purchasing from a responsible house located near them.

FOUTZ'S

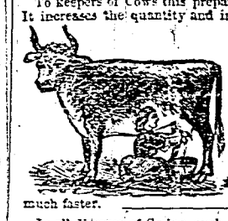
CELEBRATED

Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER, LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make it of a butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.



In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Price 25 Cents per Paper, or 5 Papers for $1.
