JOUVEN'S KID GLOVE CLEANER
ESTABLISHED 12 YEARS.
This article has been used in Paris for many years, and is what the manufacturers of gloves use to impart to them the delicate finish after they have left the hands of the sewers. It is introduced into this country over 12 years ago, and is still the day after yesterday known as the best Kid Glove Cleaner. It is perfectly healthy, and the gloves are cleaned with it while upon the hands, and are immediately ready for use. One bottle will clean 25 pairs of gloves; thus for one cent a pair, any lady can clean her gloves in a few moments and have them looking like new. Most dealers in Fancy Goods keep it for sale, but when they do not and will not send for it, ladies may club together, or a dozen bottles and send us \$2.50, and we will send them the dozen packed in a wooden box. This is the lowest wholesale price to dealers. Address, JOUVEN'S KID GLOVE CLEANER, 62 Fulton Street, New York.
