CABINET ORGANS!

Piano For es!

THE subscribers have opened a Music Store in the new buildings recently erected by the

ALLEGANY ACADEMY OF MUSIC! In the village of Friendship, where they keep on hand an extensive assortment of

Melodeons, Organs, and Pianos,

as can be found in any Music Store in New York or Boston. There is scarcely anything in which there is so much deceit as in the manufacture of these instruments. The outside is the work of Cabinet-makers. Any one who will reflect how much difference twenty five dollars will make in the appearance of a bureau or table, can readily understand how a few dollars expense may improve the outside of an instrument, while the inside may be utterly worthless. Any one can judge of the outside appearance, but only experienced judges can decide the value of the inside. The great advantage which the subscribers offer to buy an Organ, Melodeon, or a Piano, is that every instrument they have on hand is very carefully selected from the best makers, by

ONE OF THE PROFESSORS OF THE ALLEGANY ACADEMY OF MUSIC

thus rendering it certain that the instrument is perfect. They warrant every instrument, and will exchange or refund the money for every instrument that proves defective. They can also sell at less prices than city Music Stores as they do not have to pay the enormous city rents.

Our firm is composed of those who own the Allegany Academy of Music.

As this Institution is permanently established in Friendship, those wishing to purchase Melodeons, Organs or Pianos, will readily understand the value of purchasing from a responsible house located near them.

J. BAXTER & CO., Allegany Academy of Music, MUSIC STORE, Friendship, N. Y.
