**JOUVEN'S KID GLOVE CLEANER**  
ESTABLISHED 12 YEARS.  
This article has been used in Paris for many years, and is what the manufacturers of gloves have to offer to their hands. It was introduced into this country over 12 years ago, and it is at this day the only really good Kid Glove Cleaner. It is perfectly inodorous, and the gloves are cleaned with it while on the hand, and in a few minutes. One bottle costing 25 cents will clean 25 pairs; thus for one cent a pair, any lady can clean her gloves in a few moments and have them looking like new. Most dealers in Fancy Goods keep it for sale, but when they do not and will not send for it, ladies may club together for a dozen bottles and send us \$2.50, and we will send them the dozen packed in a wooden box. This is our lowest whole sale price to dealers. Address, JOUVEN'S KID GLOVE CLEANER.  
Depot: 62 Fulton Street, New York.

THE subscribers have opened a Music Store in the new buildings recently erected by the

**ALLEGANY ACADEMY OF MUSIC!**  
in the village of Friendship, where they keep on hand as extensive an assortment of

Melodeons, Organs, and Pianos, as can be found in any Music Store in New York or Boston.

There is scarcely anything in which there is so much credit as in the manufacture of these instruments. The outside is the work of Cabinet-makers, any one who can reflect how much difference twenty-five dollars will make in the appearance of a bureau or table, can readily understand how a few dollars expense may improve the outside of an instrument, while the inside may be utterly worthless. Any one can judge of the outside appearance, but only experienced judges can decide the value of the inside.

The great advantage which the subscribers offer to buy an Organ, or Melodeon, or a Piano, is that every instrument they have on hand is very carefully selected from the best makers, by

ONE OF THE PROFESSORS OF THE ALLEGANY ACADEMY OF MUSIC

thus rendering it certain that the instrument is perfect. They warrant every instrument, and will exchange or refund the money for every instrument that proves defective. They can also sell at less prices than city Music Stores as they do not have to pay the enormous city rents.

Our firm is composed of those who own the Allegany Academy of Music.

As this Institution is permanently established in Friendship, those wishing to purchase Melodeons, Organs, or Pianos, will readily understand the value of purchasing from a responsible house located near them.
