TO OWNERS OF HORSES AND CATTLE.

TOBIAS' DERBY CONDITION POWDERS are warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Coughs, Hide-bound, Colds, &c., in Horses; and Colds, Coughs, Loss of Milk, Black Tongue, Horn Distemper, &c., in Cattle. These Powders were formerly put up by Simpson I. Tobias, son of Dr. Tobias, and, since his death, the demand has been so great for them, that Dr. Tobias has continued to manufacture them. They are perfectly safe and innocent; no need of stopping the working of your animals. They increase the appetite, give a fine coat, cleanse the stomach and urinary organs; also increase the milk of cows. Try them, and you will never be without them. Hiram Woodruff, the celebrated trainer of trotting horses, has used them for years, and recommends them to his friends. Col. Philo P. Bush, of the Jerome Race Course, Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over 20 running horses in his charge, and for the last three years has used no other medicines for them. He has kindly permitted me to refer any one to him. Over 1,000 other references can be seen at the depot. Sold by Druggists and Saddlers. Price 25 cents per box. Depot, 56 Cortlandt Street, New York.

Ayer's Sarsaparilla

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has proved, of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this EXTRACT OF SARSAPARILLA.

Do not reject this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used AYER'S—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac which the agent below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and as a Dinner Pill, are unequalled.

They are sugar coated, so that the most sensitive can take them with pleasure, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

SHATTERED CONSTITUTIONS RESTORED by HELMBOLD'S EXTRACT BUCHU.

To the Martyrs of Liver Complaint.

Among the most wonderful medical properties which have rendered HOSTETTER'S STOMACH BITTERS pre-eminent among the health-restoring preparations of the age, its anti-bilious virtues are not the least remarkable. No words can do justice to its marvelous effect upon the diseased liver. Perhaps the simple words of a convalescent sufferer, who describes it as "going right to the spot," tell the story as clearly as may be. It does go right to the spot. It operates directly upon the disordered organ, and whether unduly active or in a state of paralysis restores it to a condition of health. The Sickness at the Stomach, Pain between the shoulders and in the Right Side, Yellow Suffusion of the Skin, Costiveness, Drowsiness and languor, Dimness of Sight, Colic, Palpitation of the Heart, Dry Cough, Low Fever, and other symptoms which indicate the various phases of Acute and Chronic Liver Complaint; are one and all promptly relieved, and finally removed, by the action of this famous preparation, which is at once the best of correctives, the gentlest and most genial of aperients, an infallible regulator, and a powerful restorative. Persons of a bilious habit who use the Bitters as a protective medicine, will never suffer the pains and penalties of Liver disease or Bilious Remittent Fever.

THE POTTER COUNTY JOURNAL

Coudersport, Thursday Evening, April 18, 1867.

Local and General.

☞ A fire at Williamsport the other day destroyed an extensive mill recently erected for the purpose of sawing block marble.

☞ The Senate confirmed the Russo-American Treaty, by which the United States acquiries possession of Russian Ameaican—an ice house, inhabited by Indians, Esquimaux, and fishermen.

☞ Dan. Fuller has been awarded the contract of carrying the mail from Colesburg to Raymond, from July 1, 1867, to June 30, 1768, for $148.

☞ We have changed our publication day from Tuesday to Thursday.

☞ Mifflinburg, in Union county, we see by the Borough statement, pays their Councilmen seven dollars per annum for their services. They must be a popular party. Coudersport pays hers in "blessings."

☞ We see by the Philadelphia *Press* that the nomination of William F. Barnes to be Postmaster at Wellsville, N. Y., has been rejected by the Senate, and that L. Minerva Phillips was confirmed for the same position.

INSANE ASYLUM.—From the report of the Trustees of the State Lunatic Asylum, it appears that the number of patients admitted during 1866, was 187, males 115, females 72. During the year 1866 were discharged—males 91, females 75. Whole number under treatment 493. The number remaining on the 31st of December, 1866, was 327—males 181, females 146. During the year there were restored, males 26, females 21; improved, males 30, females 15; stationary, males 21, females 20; died, males, 14, females 19.

☞ The Pennsylvania Legislature adjourned finally on Thursday last. One thousand six hundred and fifty-two bills and sixteen joint resolutions were passed during the session. Hon JAMES L. GRAHAM, of Allegheny, Republican, was elected Speaker of the next session of the Senate. The vote stood GRAHAM, Republican, 21, WALLACE, Democrat, 11.

On retiring, Speaker HALL of the Senate was presented by the members of that body with a handsome Gold Watch, and a gavel. Speaker GLASS, of the House, received an ivory gavel, a set of china-ware, a complete silver set, and a gold watch. The chief Clerks of both houses, and other officers were also the recipients of handsome presents.

Return of Duplicates.

We publish below an Act passed at the last session of the Legislature and which has become a law in relation to the return of Duplicates of Taxes. Collectors will please remember that hereafter all Duplicates must be returned on or before the first dry of January of each year:

AN ACT

To authorize the return to the Commissioners of Potter county for collection of certain duplicates of taxes and to fix the time when said duplicates shall hereafter be returned.

Be it enacted by the Senate and House of Representatives, &c., That it shall be lawful for the Commissioners of Potter county to receive from Collectors for thirty days after the passage of this act all duplicates for taxes that are legally assessed and prepared, but hereafter all duplicates of taxes in said county shall be returned to the County Commissioners on or before the first day of January of each year.

☞ We see by the *Record* that the Act to attach certain lands in Potter County to the Coudersport School District for School purposes, has passed both Houses, and been presented to the Governer, and will doubtless become a law. This relates to the land lying south-east and south-west of Eulalia township proper, but separated from it by intervening townships. It was thought by some that as Coudersport was at one time part of Eulalia and is at the present in the very center of it, and as these pieces of land whose taxes it now proposes to appropriate were of no expense or trouble to Eulalia, that Coudersport could justly claim the taxes, for a time at least.

RAFTING.—The river being at a good rafting stage, on Sunday and Monday a large number of rafts passed through this place on their way to market—most of them going safely "through the mountains." On Monday near noon, however, a jam occurred at the "Big stepping-stone" occasioned by one man running out of the course just above, which caused another raft to swing and close the channel; but we have not, as yet, learned the loss occasioned thereby. But if, as reported, from sixty to eighty rafts were jammed together there, the damage will be heavy, as it is not likely that so great a number of rafts could be disengaged at that point without losing many of them.—*Clearfield Raftsman.*

FLOOD.—The flood so anxiously desired by our lumbermen and business men generally has come, and is all that could be desired. A large number of rafts have gone down the river but the cry is still they come. The river continues in good rafting order. Reports from below indicate that timber is selling at rather low prices, but we have nothing definite on the subject.—*Jersey Shore Vidette.*

BOUND TO HAVE ITS SHARE OF THE WHISKY.—There are eighty-five applications for license to sell liquor in this county, thirty-five from Williamsport. This would seem to indicate that our city friends are disposed to do the drinking for the whole county. There are but three applications from Jersey Shore.—*Jersey Shore Vidette.*

Dr. Schenck's Pulmonic Syrup.

This great medicine cured Dr. J. H. Schenck, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of consumption, and the diseases which are complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Doctor Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust person. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC and MANDRAKE PILLS are generally all required in curing consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollar.

Please observe, when purchasing, that the two likeness of the doctor, one when in the last stage of consumption, and the other as he now is, in perfect health, are on the government stamp.

An Invaluable Medicine.
FOR
THE PURIFYING OF THE BLOOD.
Dr. J. W. Poland's HUMOR DOCTOR,
A POSITIVE REMEDY FOR ALL KINDS OF HUMORS.
PARTICULARLY
Erysipelas, Nettle Rash, Salt Rheum, Scrofula, Carbuncles, Boils, and Piles.

It is very gratifying to say of this, or of any other medicine, "It is the very best remedy known." It is not always so easy to prove it. It is, however, exceedingly gratifying to the Proprietor of this medicine, that, while he declares to the public that this is a most wonderful and effective specific for humors as stated above he has abundant proof at hand to sustain his statement.

For sixteen years the Humor Doctor has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales.—In New Hampshire, where it originated, no remedy for humors is so highly prised. An eminent physician when practising in New Hampshire, purchased between fifty and sixty gallons of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the hospital where he was stationed. Other physicians have purchased it, and have used it in practice with great success. When the proprietor lived in New Hampshire, at Goffstown Center, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and wonderful cures which it effected. Though manufactured in large quantities the supply was frequently exhausted and purchasers had to wait for more to be made. In that region some very severe cases of Erysipelas were treated with—and they were cured! Erysipelas sores, or carbuncles, those ugly, painful ulcers were entirely removed wherever this medicine was faithfully used. So it was with Scrofula and Salt Rheum. The Humor Doctor cured them.

For the sake of showing what is thought of it, a few testimonials are here inserted:

MILTON GALE, ESQ., BOSTON.

I hereby certify that I was sorely afflicted with Boils for two years, developing themselves upon my limbs and other parts of my body. The sufferings which I endured from them are indescribable. Suffice it to say that I faithfully tried several of the most popular humor remedies, but without removing the affliction. At length, by the earnest request of an intimate friend, I was induced to try Dr. J. W. Polland's Humor Doctor, and am very happy to attest that all my Boils were removed and my health was restored by using Dr. Poland's aforesaid medicine.

Boston, Jan. 14, 1856. MILTON GALE.

A. C. WALLACE, ESQ., MANCHESTER, N. H.

Dr. J. W. POLAND—Dear Sir: I very cheerfully give my testimony in favor of your Humor Doctor as an excellent remedy for Humors. My numerous acquaintances in Manchester know seriously I was afflicted with Boils and they know how perfectly good my health is at present. Your Humor Doctor cured me. Please refer to me for particulars in my case.

Manchester, June 11, '56 A. C. WALLACE.

MRS. WHEELER, STONEHAM, MASS.

I very confidently and earnestly recommend Dr. J. W. Poland's Humor Doctor as an excellent remedy for Humors, having been wonderfully benefited by it myself. My own case was a very severe and obstinate one. For more than two years the skin upon the inside of both my hands, and even down on the wrist, was constantly cracked and broken up, so that I was unable to use my hands in any kind of wet work. The humor which so afflicted me was probably a combination of Erysipelas and Salt Rheum. My general health was quite poor. Soon after I began to use the Humor Doctor I could perceive signs of healing. I continued to take the medicine till I was finally cured. My hands are now perfectly free from humors, and to all appearances my whole system is clear of it, and has been for several months. I used eight bottles before I felt safe to give it up entirely, but they cured me.

Stoneham, July 5 '56. HARRIET WHEELER.

MRS. PORTER, DOVER, N. H.

DOVER, N. H., July 22, 1855.

DR. POLAND: I received your letter inquiring as to the effects of your medicine on sea-sickness. I am happy to say that I think it is "the medicine" for that dreadful sickness. I tried various prescriptions, but found none that settled the stomach and cleared the head like the Humor Doctor. I felt as though I could hardly wait to get ashore, to entreat you to introduce it into ship chandlery stores, that it may find its way to those who suffer upon the mighty deep from sea sickness. If captains who take their families with them, or carry passengers, should try it for once, they would never be willing to voyage without it.

I have used it for my family since its introduction to the public for bilious habits, headache and humors, but my children, and have always found it a safe cure.

I am not fond of having my name appear in public, and would not consent to it on any other account but to relieve the suffering; but if the foregoing will be of any service to you or the public, you can make use of it. Yours, HARRIET M. PORTER.

Much more might be stated in relation to this medicine, as contained in testimonials, but it is needless. Ask Manchester druggists about it, especially E. W. Blake, at Bert's. Inquire of Mr. Henry Plumer, of Bedford, whose wife was cured by it of Salt Rheum. Ask almost any person in Goffstown, and they will declare its value as a remedy, as used in their own cases or by their friends.

The Humor Doctor was formerly sold at fifty cents per bottle, but the cost of every ingredient composing it has gone up so enormously, that the price has been raised to SEVENTY-FIVE CENTS ONLY, and that by compulsion.

The Humor Doctor is prepared at the New England Botanic Depot, for the Proprietor, J. C. French. Sold by medicine dealers everywhere.

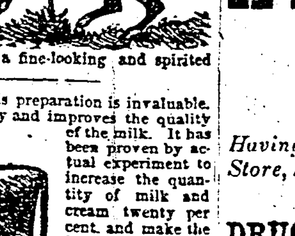
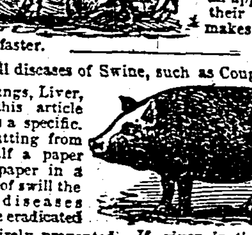
FOUTZ'S
CELEBRATED
Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

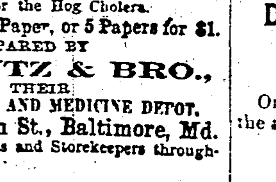
It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.



To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.



In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.



Price 25 Cents per Paper, or 5 Papers for $1.
