THE MATION, ITA RULERS AND INSTITU-TIONS -This is the title of a new work by Ans a Willigh formerly Judge of the Dismet Court, New York, which tells all about our own country, historically and politically. It is repecially valuable to every person who would understand the working of our system of government, being a complete epitome of political information. Not the least recommendation of the book is its reasonable price -\$2 50 for a volume of over 500 pages beautifully bound in cloth. It is published in both English and German, and sold only by sub-cription. Mr. H. S. Colegrove, of Keen-ey-file: being the agent for this region.
