A New Excelsior.

I.

The night had sunk on Chappaqua,
The wind was keen, the air was raw,
As forth the farmer went in peace,
With this device on his valise:
"I'm going West!"

II.

His pants were short, his boots run down,
His felt hat smashed in at the crown,
And like a squeaking cart wheel sung
The accents of that well-known tongue:
"I'm going West!"

III.

In White House window, bright and warm,
He dreams he sees Ulysses' form,
Then yanks his trowsers higher and higher,
Rips fiercely out, and screams in ire:
"I'm going West!"

IV.

"Don't try that dodge!" John Cochrane cried,
"The Free Trade boys will tan your hide!"
Upon his nose a tear-drop shiney,
He wipes it on his sleeve and whines:
"I'm going West!"

V.

"Beware of those who've read your books!"
"You'll know them by their vacant looks;"
This was a "sorehead's" parting cry;
A silvery voice replied, "You lie!"
"I'm going West!"

VI.

A sleepy "cop" that morning found
The old man seated on the ground,
Sich chaps is to his carpetbag,
Which bore this motto on it: tag,
"I'm going West!"

VII.

There, 'neath the Franklin statue, sat
Old Chappaquack in his white hat,
Like huntsman resting from the hunt,
While from his lips escaped a grunt:
"I'm going West!"

Josh Billings on Laffing.

Anatomatikally konsidered, laffing is the sensashun ov pheeling good all over, and showing it principally in one spot.

Morally konsidered, it iz the next best thing tew the 10 commandments.

Philosophikally konsidered, it beats Herrick's pills, 3 pills in the game.

Theoretikally konsidered, it can out-argy all the logik in existence.

Analitikally konsidered, enny part of it iz ekal tew the whole.

Konstitutionally konsidered, it iz vittles and something tew drink.

Multifariously konsidered, it iz just az different from ennything else az it iz from itself.

Pnumatikally konsidered, it haz a good deal ov essence and some boddy.

Pyroteknikally konsidered, it iz the fireworks ov the soul.

Syllogestikally konsidered, the konklushuns alwus follows the premises.

Spontaneously konsidered, it iz az natral and refreshing az a spring bi the roadside.

Phosphorescently konsidered, it lights up like a globe lantern.

Exudashiously konsidered, it haz all the dissolving propertys ov a hot whiskee punch.

But this iz too big talk for me; these flat olent words was put into the dikshionary for them giants in knowledge tew use who have tew load a kannon klean up tew the muzzle with powder and ball when they go out tew hunt pismires.

But i don't intend this essay for laffing in the lump, but for laffing on the half shell.

Laffing is just az natral tew cum tew the surface az a rat iz tew cum out ov hiz hole when he wants tew.

Yu kant keep it back by swallowing onny more than you kan the heekups.

If a man *kan't* laff there iz sum mistake made in putting him together, and if he *won't* laff he wants as much keeping away from az a bear-trap when it iz set.

I have seen people who laffed altogether too much for their own good or ennybody else's; they laft like a barrel ov nu sider with the tap pulled out—a perfect stream.

This iz a great waste ov natral juice.

I have seen other people who didn't laff enuff tew give themselfs vent; they waz like a barrel ov nu sider, too, that waz bunged up tite, apt to start a hoop and leak all away on the sly.

There ain't neither ov these 2 ways right, and they never ought tew be patented.

Sum pholks inv got what is kalled a hosslaff, about half way between a growl and a bellow, just az a hoss duz when he feels his oats, and don't exactly kno what ails him.

These pholks don't enjoy a laff enny more than the man duz hiz vittles who swallows hiz pertatoze whole.

A laff tew be nourishment wants tew be well chewed.

There iz another kind ov laff which i never did enjoy, one loud busst, and then veery thing iz az still az a lager beer barrell after it haz blowed up and slung 2 or 3 gallons ov beer around loose.

There iz another laff whitch i have annalized; it sums out ov the mouth with a noize like a pig makes when he iz in a tite spot, one sharp squeal and too snikkers, and then dies in a simper.

This kind ov a laff iz larnt at female boarding skools, and don't mean ennything; it iz nothing more than the skin ov a laff.

Genuine laffing iz the vent ov the soul, the nostrils ov the heart, and iz jist az necessary for health and happiness as spring water iz for a trout.

There iz one kind ov a laff that i always did reckommend; it looks out ov the eye fust with a merry twinkle, then it kreeps down on its hands and knees and plays around the mouth like a pretty moth around the blaze ov a kandle, then it steals over into the dimples ov the cheek and rides around in thoze little whirlpools for a while, then it lites up the whole face like the mellow bloom on a damask roze, then it swims off on the air with a peal az klear and az happy az a dinner bell, then it goes back again on golden tiptoze, like an angel out for an airing, and laze down on its little bed ov violets in the heart where it cum from.

There iz another laff that nobody kan withstand; it iz just az honest and noizy az a distrikt skool let out tew play, it shakes a man up from hiz toze tew hiz temples, it dubbles and twists him like a whiskee punch, it lifts him up oph from hiz cheer like feathers, and lets him back again like melted led, it goes all thru him like a pickpocket, and finally leaves him laz weak and az krazy az tho he had bin soaking all day in a Rushing bath and forgot to be took out.

This kind of a laff belongs tew jolly good phellows who are az healthy az Quakers, and who are az eazy tew pleaze az a gall who iz going to be married to-morrow.

In konklushion i say laff every good chance yu kan git, but don't laff unless yu feal like it, for there ain't nothing in this world more harty than a good honest laff, nor nothing more hollow than one without enny hart in it.

When yu do laff open yure mouth wide enuff for the noise tew git out without squealing, thro yure hed back az tho yu waz going tew git shaved, hold on tew yure false hair with both hands, and then laff till yure soul gits thoroly rested.

But i shall tell yu more about these things at sum fewter time.

This Cut illustrates the manner of Using

DR. PIERCE'S

Improved Nasal Injector,

OR

DOUCHE.

This instrument is especially designed for the perfect application of

DR. LA CROSSE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine can be carried *high up* and *perfectly applied* to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which purulent secretions frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. In using this instrument, the Fluid is carried by its own weight (no snuffing, forcing or pumping being required) up one nostril in a full gently flowing stream to the highest portion of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and flows out of the opposite nostril. Its use is pleasant and so simple that a child could understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Sage's Catarrh Remedy cures the most attacks of "Cold in the Head" by a few applications.

Symptoms of Catarrh. Frequent head ache, discharge falling into throat sometimes profuse, watery, thick mucous, purulent, offensive, &c. In others a dryness, dry watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, and from ulcers, voice altered, nasal twang, offensive breath, impaired or total deprivation of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling cough, &c. Only a few of these symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when used with Dr. Pierce's Nasal Douche, and accompanied with the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and the proprietor offers, in good faith, $500 reward for a case he cannot cure. The Remedy is mild and pleasant to use, containing no strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents. Douche at 75 cents. By all Druggists, or either will be mailed by proprietor on receipt of 60 cents.

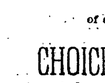
Invalids Don't Despair.

Thousands have found relief, and thousands will turn to this medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, fetid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue cleaned, the appetite improved, and the whole system so benefitted that disease, in bad weather, is less liable to afflict you.



DR. P. FAHRNEY'S

Celebrated Blood Cleanser or Panacea.

As a medicine for children, the panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathartic it is very effective, yet it does not, if given in proper quantities, cause nausea or distress in the stomach or bowels.—It is very pleasant to the taste, which is a very important feature as a medicine for children. As a preventive of disease it is unprecedented, as it acts directly upon the digestive organs and the blood. In all scrofulous diseases it is the most effective medicine ever offered to the public, and if given regularly and perseveringly those eruptive diseases so common to children may be entirely eradicated.

Prepared by P. Fahrney's Bros. & Co., Waynesboro, Pennsylvania, and Dr. P. FAHRNEY, North Dearborn street, Chicago. Price $1 25 per bottle, for sale by wholesale and retail dealers, and by Hastings & Coles, Wellsboro, Pa.

Tumor of 12 Years' Growth Cured by Radway's Resolvent.

BRISTOL, MASS., July 19, 1871.

DR. RADWAY:—I have had Ovarian Tumor in the ovaries or bowels. All the Doctors said "there was no help for it." I tried every thing that was recommended, but nothing helped me. I saw your Resolvent, and thought I would try it; for what I had to lose, because I had suffered for twelve years. I took six bottles of the Resolvent, and one box of Radway's Pills, and two bottles of your Ready Relief; and there is not a sign of tumor to be seen or felt, and I feel better, smarter, and happier than I have for twelve years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.
