How the Work was Done.—Now that the political campaign is fully over and the victory assured, it may be profitable to reflect for a moment upon the manner in which the local canvass was conducted and the happy result achieved. Overwhelming as our triumph is, if any man supposes it was zearied without hard and continuous labor, he age than was given by any other county in nose and rattle in the head, take a dish of

after that old atolitioniti Greeley.

The Jorey Shoré Herald has information that Livs. Bendel, wife of Benjamin Bendel, of Pino Township, dropped dead on the 25th alta while in the act of picking up-chips at the wood pilo. Mrs. B. was an amiable wollian and respected by all who had the pleasure of her acquaintence.

As stand by us has week, the horse districted by a many and hotel stables; but so far awe can learn no animals have dued of fill in two or three cases nich are being they are strong arguments for the Government has led to peace, tecurically and interesting and approximation for the government has led to peace, the united by its are taking and success. It is administration of the Government has led to peace, tecurically an animals have a tracitly admitted even by our enemies, and signatures could make it. The mother them walked back to Triumph. Here are tacitly admitted even by our enemies, and in want signatures could make it. The woll aming the past week it in as been raging quite oxtensively in our livery and hotel stables; but so far as we can learn no animals have year they all they are strong arguments for the government has led to peace, tecurically admitted even by our enemies, and they are strong arguments for the government was a strong arguments. The following are already secured: Obrey's Concert Troupe of Boston, Black's Broreopticion, Mrs. Livery and the back of the government, and the back of the government was a strong arguments of the strong arguments of the strong arguments for the government was strong argument is very much mistaken. The Republican right being a majority; but it is certain that Providence, is on the side of the greatest

right hard work to be done.

This, we suppose was substantially the feeling with which the Republicans of Tioga county entered upon the Presidential can vass of 1872. They knew their cause deserved success, and they resolved to work for and win it. At the outset they were confronted win it. At the outset they were confronted win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it. At the outset they were confronted to work for and win it.
