But the maid's blue eyes were shedding their light On the face of a tall, dark man that night. He sang of her hand so white and fair,
And soft as a hand could be;
And "the ring," he sang "that to gleaming there,
Binds her to me."

But the maid to her tall companion said,
"This ring? 'tis the gift of a friend that's dead." He sang of her ripe and dewy lips,
"They are roses before they blow;
And the taste of the nectar that from them drops, I, only, know."

But the maid as she walked in the moonlight's miss Lifted her face and was lovingly kissed. He sang of her voice, "It is sweet and clear,
As the voice of the gainte dove,
So tender that I alone can hear.
Her words of love."

But the maiden whispered to one by he sea, "I love thee, darling," and only thee." Ah, poet! finish your latest strain,
Ah, maid I shall we give you praise or blame,
You are wringing a heart with bitter pain,
Yet helping to laurel a brow with fame.

THROAT, LUNCS, LIVER & BLOOD

In the wonderful modicine to which the afflicted are above pointed for relief, the discoverie believes he has combined in harmony more of Nature's most sovereign curative properties, which God has instilled into the vegetable kingdom for healing the cick, than were evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the cure of Errorschitts, Evere Coughts, and the early stages of Consumption, it has astendabed the medical faculty, and eminent physicials pronounce if the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties, it cures all Humore from the worst Scretcula to a common Blotch. Pimple or Errorcula to a common Blotch. Pimple or Errorcula to a common Blotch. Pimple or Rough Skin, in short, all the numerous diseases caused by bad blood, are conquered by this powerful, purifying and invigorating medicine.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown quotarness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from larpid Liver or Billieumness." In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's Golden Modical Discovery has no equal, as it effects perfect cure, leaving the liver strengthened and healthy. For the cure of Habitual Constipation of the Bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise.

The proprietor offers \$1,000 reward for a medicine that will equal it for the oure of all the diseases for which it is recommended.

Sold by druggists at \$1 per bottle. Prepared by R. V. Pierce, M. D., Sole Proprietor, at his Chemical Laboratory, 133 Seneoa Street, Euffaio, N. Y.

DR. P. FAHRNEY'S Celebrated Blood Cleanar or Panacea.

As a medicine for children, the panacea is, in every way, calculated to take the plane of the chiless variety of drugs which are annually sold for that purpose, and which are enter very injurious. A medicine which possesses the gradities of a cathatic as well as a mild alterative, and which as capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathatic it is very effective, get it does not, if given it proper quantities, cause muises or distress in the stomeon or bowels. It is very pleasant to the tasm, which is a very importagly feature as a medicine for children. As a preventive of disease it is unprecedented, as it acts directly upon the directive organs and the blood. In all scrotulous diseases it is no most effective medicine over offered to the public, and if given regularly and persecutively those cruptive diseases so common to children may be entirely eradicated.

For Inflummatory and Chronic Rheumatisms and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar ment of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Viscerai Organs, and in Bilious Diseases. as a powerful agent in relieving Congestion or Inflammation of the Liver and Viscerai Organs, and in Bilious Diseases.

For Skin Diseases, Equitions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuccies, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitlated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful: thousands proclaim Vinkgar Bitters, the most wonderful Invigorant that ever sustained the sinking system.

Plin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiolicist; There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monaters of disease. No system of Medicine, no vermifuges, no anthelminitics, will free the system from worms like these Bitters.

No system of Medicine, no vermifuges, no anthelminities, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-heaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of Walkers's Vinegar Bitterss once or twice a week, as a Preventive.

Billons, Résmittent*, and Intermittent Fovers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazov, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roancke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great-torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the digestive organs.

The Aperient and mild Lazative properties of De Walker's Vinegar Bitters are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedanve properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, ex. Their Counter-Irritant influence extends throughout the system. Their Dimetic properties act on the Ridneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus forcarmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.
