DEAR SIR: By an oversight no nomination in Con-

gress has been made by the Republican party. The

fact is one which may become quite important, and it

is desirable that a candidate be presented.

A majority of the Republican County Committee

has agreed to recommend Giles Roberts, Esq., of

Wellsboro, as a candidate for the office of Coroner.

Respectfully yours,

LETTER FROM KANSAS.

ROADS—THEY ARE THE GRANGES—WHAT

THEY ARE TO DO.

ATTENTION, Sept. 16, 1873.

To the Editor of the Agitator:

Having read my first newspaper letter

with a good deal of interest, a second one

may not prove uninteresting to the readers

of the Agitator, for I am not the only

"Italy of America" who has visited Atch-

ison, and doubtless all who have visited

Atchison will be interested in what I

have to say in writing them. Many of your

boys have been here and become dis-

gusted at the "gentle prairie zephyrs," for

which Kansas is noted; but when they shall

have made this their home as long as I

have, they will be accustomed to this climate,

and will be in the opinion of thousands,
