What Ruined Farmer Brown. BY JUHN TATES.

Will, wife, the end has come at list! Old farmer Brown is field!
The not 7 there found him in his house stratched stiff
and cold in bed.
Beresth the rags that covered him, held firm in a death-lug.
They found, with every drop drained out, his old brown whisky-jug.

C. W. REARS. I. M. BODINE.

Wellsboro, Pa., June 8, 1873.-42.

Aug 12, 1873,

Bow sad to live a life like his t how sad like him to Alone, in a deserted house, no friends nor kindred To stagg r lown from manheed to the gloomy river's brink. The happiness of carth and heaven a sacrifica to disk.

And what was farmer Brown, dear wile, a few short An honest tilling, sober man; kind to both friend There was no better form than his in all the neighbor hood;
Well fenced, well watered, and well tilled; the barns and houses good.

His wife was happy and content, singing from morp For everything upon the farm and in the house went Until the tempter came, and said, "You have much goods in store, Now out and drink, rich farmer Brown, let tolling days be o'er."

He listened to the tempter, and that was his great He highl men to sow the seed and resp the harvest He left off following the plow, he gave all work a And hitching up his finest horse, he drove off to the

Mon, put him up for office, and taught him a'l the

That constitute a scholar in the school of politics: This brought him often to the bar, where whisky is the thing.

And quother strong Golish fell a victim to a sling. From that date things went downward, as by a whiriwin d's arm.

And Brown was soon a drankerd upon a ruined farm,
The forces down a loaky house, no crops to gather in.
No goods in store for future want, in spacious barn or

One cold and dreary antumn, when the leaves were falling down. His wife died, broken-hearted, and was buried by the *Tis well there is an after life, made up of perfect For broken-hearted, weary wives, who find no joy in this.

And now an end has come at last, as it doth quickly To all who bind upon themselves the cruel chains of ritu; He leit his work to others, for the bar-room in the town, And that, dear wife, was surely what rulned farmer ALL SORTS.

Best size for a man-Exercise. A sour parent-Mother of vinegar. The Blacksmith's game-O'd sledge. Darwin's missing link-Spotted Tail. A waiting race—The next generation.
A standing nuisance—Corner loafers. The noisiest body of water-A sound. A fruitful instrument-A drum of figs. C-o-d fish are always sure to be paid for. "Long and successful reign"-The deluge. Perpendicular drinking-Whisky straight. Twins, like misfortunes, never come singly.
It a Bedouin should loose his teeth would

he tuck gum Arabie? The man who "harbored" a thought is supposed to live on the sea-hore. It is no good nowadays for a man to offer his hand if there is nothing in it. A learned naturalist thinks the unicorn is so called because of his unique horn. A glazier is the only person who take-pleasure in the thought that this is a world of pane.
General Longstreet has got a patent sawing machine, and is making lots of sawdust and songe money.

A daily paper speaks of "thieving in the outskirts," which may be interpreted "picking lidies' pockets." The min who sang, "Oh, breathe no more that simple air," went into a sindking compartment where the air was more mixed. The Graphic is rapidly drifting to the bad. and has got far enough on the road to call Eil Perkins a "celebrated American humor-The cause of the variation of the compas

has not yet been discovered. Anybody who should pretend to have discovered it would be considered non compos mentis. Gen. Butler and Jefferson Davis arrived in Washington the other day, both coming in the same car from New York. It is said Davis avoided Butler, while the latter showod no disposition to renew the old acquaint-A married lady in Connecticut fell into i

that her cries attracted the attention of her husband, who, mistaking her in the dark for another woman, worked like a beaver to get A California editor, in speaking of a notoribus ruffian in that State, who is supposed to lieve committed more murders than any other man on the Pacific coat, says: "He has a wonderful talent for bereaving any family he does not happen to like." The San Francisco News Letter impolitely alludes to Mr. Joaquin Miller as "the long haired, greasy howier of the Sierras," and ridicules his attempt to pass himself off up on the English public as an (ex) head manamong the Modocs. A Modoc chief would hardly deign to eat out of the same dishwith him, it says.

P. J. Peterson and F. H. Brandt, the original control of the control o

with him, it says.

P. J. Petersen and F. H. Brandt, the original discoverers of the Little Annie, De.
Norte, and Margetta lodes, in Colorado, have fust sold out their claims for \$410,000. These men, one of whom is a Swedo and the other a German, are thus suddenly raised to opulence, but will immediately visit their wondering relatives in Europe.

The customers of a geomer in the High-

dering relatives in Europe.

The customers of a cooper in the Highlands caused him: a great deal of vexation by their saving habits and persistence in getting their tubs and casks repaired, buying very little new work. "I stood it long enough, however," said he, "until one day old MacCawbrie brought in an old bunghole, to which he said he wanted a new barrel made. Thus I quitted the north in disgnst " Then I quitted the north in disgust."

Then I quitted the north in disgust."

A peasant went into a large city, and among other objects that arrested his attention was a banking office, where he saw people go out and in, without getting any good apparently, as in other shops. Helventured to enter and ask the teller what was sold there. "Asses heads," was the sneering answer. "What a business you must do," said the rustic, "I see you have but one left."

The Stark county (Indiana) Ledger welcomes a newcomer to the town of Knox, after this fashion: "Miss Betsy Opplebach intends locating in this place soon. She is intelligent and handsone, and don't smoke, ehew tobacco, drink whisky, lpaint, "play sweet," wear false 'dumplings' or chignons—is opposed to woman suffrage, free love, and is opposed to woman suffrage, free love, and things that squeeze her out of shape. Her card announcing her 'biz' will appear in our columns when she arrives." A volunteer rifle captain, desiring to cross a field with his company, came to an open-ing in the fence large chough to admit two

persons, but no more, to pass abreast. Unfortunately he could not remember the world of command which would have accomplished the d flicult task of filing through; but his ingenuity did not desert him, therefore he ordered a halt, and then said—"Gentlemen you are drawised for one minute, when men, you are dismissed for one minute, when you will full in on the other side of the fence,"

Old Lady—"Can you tell me, my good man, where I can had Mr. Jones?" Pat—"Sure, ma'am, I expect it would be at his house you would find him." Lady—"Does he live any where in this street?" Pat—"Sure, her are easy to take; and being purely regetable they are entirely harmless. Dr. J. C. AYER & CO., Lowell, Mass., he liveranywhere in this street? Pitter Sure, no, indude this not for the likes of him to be livin' in the street at all. Indy-"You stupid fellow, I mean what number does his family stop at? Patter Now, ma'am, you have me; he has six boys and four girls already, but whether he means to stop at that number-" Lady-"Oh, you blockhead! [Ext. old lady in a tremor of indignation.] "At a county fair the other day." writes SOLD BY ALL DRUGGISTS AND DEALERS IN MED For Sale by Taylor & Spalding, Druggists, Wellsburg Aug. 12, 1873-181. THE undersigned is now prepared to execute all off ders for fromb Stories and Monuments of either

"At a county fair the other day," writes a correspondent, "my curiosity was excited by the following mysterious inscription over the door of a booth, 'Walk in and see the Dapcing Tree!' Curious to witness such a phenomenon, I paid my money, went in, and presently found that I constituted the contravalence. Italian or Rutland Marble, and presently found that I constituted the entire audience. Soon after my entrunce, a puny, sickly-looking being, dressed as a wild Indian, appeared, and, placing himself in an attitude, asked me in a melancholy voice to look at him. 'Well,' said I, 'but the dancing tree?', 'That's the name given me by the chiets of my tribe,' replied the savage. The Dancing Tree is a great chief.' And he sat down apparently well-satisfied with himself."

At a recent Sunday-school service in a prominent church in New Haven, the rector was illustrating the necessity of Ohristian of the latest style and approved workmanship and with dispatch.

If keeps constantly on hand both kinds of Marble and will be able to suit all who may favor him with their orders, on as reasonable torms as can be obtained in the country.

FRANK ADAMS. prominent church in New Haven, the rector was illustrating the necessity of Ohristian profession in order to properly enjoy the blessings of Providence in tite; and to make it apparent to their minds, the rector said. For instance, I want to introduce water into my house, I have it pumped—the pipes and faucits and every convenience in good

Foreign and Domestic Liquors WINES, Ła. Ła. and faucets and every convenience in good order—but I set no water. Can any of you fell me why I do not get any water?" (exciplening them to see that it was because he had not made connection with the main in Agent for Fine Old Whiskles

had not made connection with the main in the street.) The boys tooled perplexed. They could not see why the water should refu-e to run into his premises after such faddless plumbing. "Can no one tell me what I have neglected in order to get water? reitersted the good rector—tooking over the flock or wondering faces, bowed down by the weight of the conundrum. "I know," squenked a little five-year old. "You don't pay."
