The Pennsylvania Legislature. The list of members of the two Houses of this respectably a noble, showing their occupations to be as follows:

Banking. INDIANA BANKS FAILED.—Dispatches were received in the city, on Saturday, stating that the Commercial Bank, the Lafayette Bank, and the Shaw Bank of Attica, had failed.

California News. The George Law arrived at New York on the 18th with \$1,250,000 in gold. The Supreme Court had declared the debt of California, which is over \$8,000,000, to be unconstitutional, except \$300,000; this last being the amount which the Government had limited.

THE SLAVE TRADE is one of the lucrative branches of the commerce of New York. According to the commercial papers of that city, no less than from twenty-five to thirty ships have been fitted out for the trade.

THE GAZETTE.—This new method of robbery has been introduced into New York, it having been successfully practiced upon a printer on the 12th inst. The Gazette consists in sending a man by the street and checking him so that he can give no alarm, while a confederate rids his pockets.

THE COPPER MINE of Mr. Rodgers, in Hope Valley, in the summit of the Sierra Nevada, proves to be very rich. A convention of colored people has been held in Sacramento for the purpose of taking measures to endeavor to obtain a release from their disability to give evidence in courts of justice against white men.

THE AFFAIRS OF Gen. Walker seemed to be not improving. His forces were very destitute of wholesome food, and were rapidly wasting away by sickness, and the Allies were being retaken by the sickening pestilence of cholera.

Items. WASHINGTON AS A RESIDENCE.—It is said that Gov. Marcy will continue to reside in Washington with his family. Gen. Cushing will probably make it his permanent residence.

A GERMAN paper, published in St. Louis called the *Zeitung des Westens*, says that the constituent parts of the population of the city and County of St. Louis, as ascertained by the recent census, may be stated thus—Americans 38,000; Germans, 50,000; Irish, 36,000; French, 4,000; English and Scotch, 50,000; Italians, Spanish, and other nations, 6,000; Bohemians, 4,000.

UNIFORM CURRENCY IN GERMANY.—The Currency Conference recomended. Travelers will be delighted to learn that they will soon be able to pay their way from one end of Germany to the other in the same gold or silver coin.—London Times.

A YEAR ago an exchange said:—"A pile of breakfast-table cloth as large as a whale, contains more oil than a whale." This statement was ridiculed. It is now proved to be true.

A MAMMOTH SCHEME.—The New York Herald says a scheme is on foot to fuse the two great Railroads in New York, the Central and Erie, and to build a new line from New York to the West. The project is to increase their stock to one hundred millions, to obtain the Hudson River Railroad, and finally purchase the Erie and its branches, which cost nearly millions.

LECTURES this season are general failures in New York. The cause is said to be the lack of interest in the topics, manner and style of the lectures. The topics are general failures in New York. The cause is said to be the lack of interest in the topics, manner and style of the lectures.

THE LEGISLATURE of Pennsylvania, New York, Rhode Island, Ohio, Missouri, North Carolina, Illinois, Mississippi, Delaware, Michigan, Massachusetts, Iowa, and Kansas, are now in session in Harrisburg.

general adaptation to the wants of society. It is recognized among many denominations, as the proper channel through which Christians may exercise their benevolence and zeal in sending the Gospel to the heathen, and affusing it through our own country.

Non-dependent Societies are needed for these great ends, not yet for supplying the wants of the poor, that come within the influence. It is equally competent, through the activity of its members, to reach out the young stranger in our cities, to procure him a suitable home and influence, as well as religious instruction.

And the question is, whether our own would not do as much for one other, and for the cause of Christ, if they did their own proper part in the several organizations with which they are connected, introduce strangers to their notice, attend Bible Classes and religious meetings, attend their meetings at an hour, persons, which interferes with the public service of their own churches?

Supplies appointed by the Presbytery of Blairsville. Session—Mr. Hill, Second Sabbath of February; Mr. Stevenson, 10th Sabbath of March. The Session of Blairsville on the 15th and 14th inst. And although by the organization of the new Presbytery of Salisbury, the number of members was diminished fully one-half, yet there has been a steady increase in the number of members.

Current Review and Criticism. A book is just published entitled, *CONSTRUCTION OF THE HEBREW SCRIPTURE*, by E. S. Starr, Jr., D.D. (at *Davison's*). Dr. Starr is a popular thinker, and is sometimes lavish of terms; yet he writes often with great vigor and point. His taste runs in the department which he has embellished with a series of lectures, combining the Boyle Lecture and Bridgewater Essay, in a popular form.
