LECTURES ON THE HOLY WAR. BY REV. A. S. PATTON, A. M.

BY REV. A. S. PATTON, A. M.

1 vol., 12mo. Price, \$1.00.

This is a work that has long been needed. Bunyan'r other great allegory has been the beais of a number of popular and useful volumes of lectures, but this is the first successful attempt to unfold the wonderful teachings of the Holy War.

It is finely illustrated with

EIGHT SPIRITED ENGRAVINGS.

and will be found a book of rare interest.

Bunyan's sublime allegories have done more, perhaps, than any other uninspired books, to guide aright sinners te the Saviour, and strengthen the taith of God's people. Though many volumes of lectures have been written by distinguished authors on the Pilgrim's Progress, this is the first instance we now remember of an attempt to explain

distinguished asknows on the Figure 8 Figures, that is the style in first instance we now remember of an attempt to explain and enforce the lessons suggested by the "Holy War." The author has er-zainly accomplished his task in a manner worthy of his great theme. The book is got up in handsome style, and must meet with a rapid demand.—New York Evangelist. Evangetist.

Bold, striking, and original in its handling of the subject, it is a book that cannot fail to arrest the attention, and make a deep impression on the reader. It brings out the great work of salvation by the various steps of trial, suffering, and joy, so that a whole body of practical theology is here discussed, and important truth presented, so as to instruct while it deeply interests the religious mind. It is a book for saint and sinner—for all who have souls to be lost or saved.—New York Observer.
