but the latest reports are of a more pacific nature. The armament preparations continue with unabated energy.

War was generally considered inevitable, and much depression prevailed until the 11th, when resuming rumors were current, and announced that the concessions made by Austria, in the preliminary negotiations, gave renewed hope for the meeting of the Councils at London.

Austria has proposed, and the other powers, it is said, have consented, to a simultaneous disarmament which will probably be dissolved in about a week.

The House of Commons has rejected a resolution, in favor of the Indian Government, to impose a duty on tea.

The Indian loan of £2,000,000 had been formally introduced into the London market.

France. The Paris Monitor publishes another official article to conciliate the German Powers.

Austria. The Vienna advices had been very warlike, but they have since been calmer.

Germany. A letter from Munich states that before the end of the month all Germany will be in arms.

India. The Calcutta mails to March 9th, and Hong Kong advices to February 26th, have arrived in London.

China. The Hong Kong advices by mail, are to the effect, that the supplies of tea have been falling, and the qualities arriving show that there is very little.

Latest. The Christian papers of the 18th, April 26th, with Liverpool dates to the 18th.

The latest complexion of continental affairs is warlike. The Paris letters regard peace as hopeless.

Parliament has unanimously voted thanks to the civil and military officers, and to the army in India, for having achieved the suppression of the India rebellion.
