"Da C. M. Jackson:—Dear Str:—I feel it a pleasure, thus, of my own accord, to bear testimony to the oxcellence of the "German hitters." Some years since, being much afflicted with dyspepsia, I used them with very benefidal results. I have often recommended them to persons enfectled by that tormenting disease, and have heard from them their most flattering itestimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.
