It contains the immortal allegories, "Pilgrim's Progress" and "The Holy War," and his sermons and miscellaneous writings. It is very fully illustrated. Ever welcome to us is this spiritual dreamer, with his delicate fancies, and his heart so rich in experience of Divine things, his eye so keen and observant of the subfleties of temptation, of all the snares of the ad-versary, and yet so quick to recognize the manifold mercles of the Lord. If a man were shut up to read by to ne book beside the Bible, we know not of a better one than this. Bunyan had not the learning of men, but he had what was far better—a probund knowledge of the human heart and of the Goepsi of Christ, taught by many sore temptations and by his own experience of pardon and peace. One may learn from him as much of human nature and of Divine truth as from any uninspired writer.

It con-tains 766 imperial octavo pages, is copically illustrated with steel and wood engravings, and is beautifully printed and bound. Buoyan's writings are as familiar to the Chris-tian world as household words, and need not a single word in their praise. The spleadid volume before us will make a good library of itself to the young or aged Christian, as it is filled with the pure truthe of the Gospel, and embraces all the important Subjects contained in the Bible.
