

From our London Correspondent. Spain and Morocco... The Congress of the Powers is still called off...

London, Oct. 28th, 1859. SPAIN AND MOROCCO are about to come into collision...

London for a fortnight, address congregations in various centres of districts, and speak at Exeter Hall...

The Moral Power of the Sanctuary. Nor do we hesitate to say, that various are the means by which the world is converted to God...

Appeal for the Boards. Messrs. Editors:—There seems to be no lack of readiness in these days, to recognize the claims of the leading interests of the Redeemer's kingdom...

For the Presbyterian Banner and Advocate. Crawfordsville Presbytery. This Presbytery, at its last stated meeting, had before it little business of any special public importance...

Incorruptible Intemperance. No poverty there! Millions of good men have left the earth poor...

Spain and Morocco are about to come into collision. The French and Spanish fleets are about to meet...

A Sabbath at Woolwich leaves pleasant recollections. I went to attend the Lord's day services, while Mr. Thompson was engaged in preaching...

Woolwich Garrison. If the Lord will, commencing on Monday, October 10th, 1859, it is proposed to hold a meeting, every Sunday excepted, at the Garrison Hall...

For the Presbyterian Banner and Advocate. Crawfordsville Presbytery. This Presbytery, at its last stated meeting, had before it little business of any special public importance...

What a Good Periodical May Do. Show us an intelligent family of boys and girls, and we shall show you a family where newspapers and periodicals are plentiful...

The Doom of the World. What this change is to be, we dare not even conjecture, but we see in the heavens themselves some traces of destructive elements...
