

THE PRESBYTERIAN BANNER AND ADVOCATE.

Poetry.

For the Presbyterian Banner and Advocate. Acrostic. A my light divine illumine your path, A nd Jesus' grace your steps attend...

Sketches of New England Life.

NUMBERS IV.

Brown University—President Messer—President Wayland—Professors Burgess and Messer—The Present Position of the University—Future of the Half Way College Course—A City a Poor Place for a College.

Many have looked upon the fact of the separation of the Baptist denomination from the Unitarian Church as a matter of course...

For the Young.

Satan's Bumblebees.

Years ago, when the writer was a little child, he was blessed with the ministrations of a young girl who was named Sarah...

Best Apple in New York Market.

The Newtown Pippin commands the highest price. Parties are now paying \$5 and \$6 per barrel for shipping to Europe...

Size of Trees for Transplanting.

Table with 3 columns: Feet, 18 1/2 to 24, 24 to 30, 30 to 36. Corresponding prices in dollars and cents.

The Crucialis Again.

We give a plan by which Mr. Connelley, of Cincinnati, has been successful in his treatment in a disease of a half-pint of steamed lime and two pounds of flower of sulphur in a bucket of water...

Never Stig Again.

A gentleman riding with his family in the country, saw a beautiful bird. His son, about four years old, noticed and watched it with great interest...

Agriculture.

The Game Laws of Pennsylvania.

As the laws regarding the killing of partridges, pheasants, and rabbits, are very generally understood, we give a synopsis of recent acts of Assembly on the subject...

Farm.

This is the season for the thought crop. The seed may be obtained from the past year's experience of yourself and others...

ink, plant fields with pencil and ruler. Get the whole farm and its future operations by heart, and thus be ready for the coming campaign...

A Good Farmer in a Neighborhood.

In looking over some recent remarks by Hon. J. Pratt, on taking the chair, at the formation of the Prattville Farmer's Club, we find the following suggestive paragraph...

Apriary in January.

Plenty of air is necessary for bees in Winter's in Summer. Without care the passages may be closed by rain, freezing on the outside, or moisture condensing from the inside...

During mild weather, unless there be a low fall on the ground, it will be well to allow the bees to fly out...

Continued to guard against depositions from rain and snow, especially with these inclement days...

Best Apple in New York Market.

The Newtown Pippin commands the highest price. Parties are now paying \$5 and \$6 per barrel for shipping to Europe...
