the hostile hosts of the sons of liberty." But his counsellors said "nay! for they are many, and will fight for Abraham in the day of battle," and there was a division among them .---Albeit Jeff essayed not to ponder in his heart how he might compass the death of Abraham. MEETA MELGROVE THE SCRIBE! 107

Mr. Nasby Walleth over Noo Gersey.

ON THE WING, Nov. 9th, 1865. Never wuz I in so pleasant a frame uy mind ez last night. All wuz peace with me, for after being buffeted about the world for three stot score years, at last; it seemed to me ez though it. for chance, tired uv persecution an unfortunate bein, had taken me into favur. I hed a how they had been startled from sleep-the solum promis from the Demekratic State Cen- . tone by the cry of fire, that seemed as if it was tral Committy in the great State uv Noo. Gersay, that ez soon ez our candidate fur Governor thing had gone wrong ull day; she said, and if it was; and the other with the first clang of wuz doory elected, I should her the position of wake with the ringing of the fire bell-but she this State means the Caputle, & which is cersaid it appeared as if something told ther the tainly better than dwellin in the tents uv wicked grosry keepers on tick ez I doo) and a joo-. 11 dicious exhibition of this promis, hed procoored سك ' for me unlimited fasilities for borrerin, which I improved very muchly.

On Wednesday I. wuz sittin in my room avig enjoying the pleasen reflecshun that in a few days I should be placed above want & beyond the contingencies av forchune. Wood lynh wood ! that I I hed died then and there, before that dream uv bliss wur roodly broken. A wikked boy cum running past with a paper --"What a charming, woman !!' is the exclama- out the wet skirt of her dress before the store, her for not having remained up herself to make which he hed brought, from the not town, tion of every new boarder. But spor human and roughly pushing Catharine, who sat there, the fire was almost out in the store, where there lives a man who takes one. He where there lives a man who takes one. He flung it through the window to me and past on. opened it eagerly and glanced at the hed lines.

"NOO GERSET-5,000 REPUBLICAN !" One long piercin shreek wuz heard through that hopse, and when the inmates rushed into the room they found me inanymate on the floor, we The fatal paper lay near me, explainin the cause y the catastrophe. The kind hearted landlord, after feeling uv my pockets and diskiverin that σ^M the contents thereof wood not pay the arrears. ges uv my board, held a hurrid consultation with his wife, as to the propriety uv bringing me to, he insistin that it wuz the only chance. uv gettin what wuz hack-she insistin that ef I wuz brung to I'd go on runnin up the bill bigger and bigger, and never pay at last. While van they wur argooin the matter pro and conjul . happened to get a good smell uv his breath, which restored me to conscousniss to wunst. without further assistance.

When in trouble my poetic sole alluz finds vent in song. Did ever a poet who delited in tombs, and dark, rollin streams, and consumption, and blighted hopes, and decay, and sich themes, ever hev sich a pick of subjects ez hev at this time? The follerin may be a consolation to the few Dimokrate uv the North, who have at gone so fur into Copperheadism that they

Why don't you out, "Do thou, Oh Sherman, as thou hast said, come f fell faintly on my ear, as. I descended and we will follow thee, and will not be found the stairs, still in a good state of preservation, wanting in the day of battle."

as far as Licould see. Has a reader There was a great noise of firemen outside horsemen, and his bellowing engines, wherein the house, and the ringing of the bells, and the dwelt death, and all his mighty host, and they distressed cries of the two women on the roofmarched against the city of Atlanta, and , took made meas little afraid I confess, but, the way it. And they passed through many cities of being clear to walk safely out of the house, I the plains and took many captives. was proceeding to do so, when a policeman, And the Ethiopians flocked to his standard. who was stationed in the hall, begged politely and followed after him, and became his soldiers that I would not distress myself, as there was and fought for him. no cause whatever for slarm-there had been fire in the building adjoining, but it was then:

revolted provinces, and destroyed many cities, nearly gotten down. and brought terror to the hearts of the men of I proceeded at once to strike lights, see that Jeff.

so she denominated the little paper which she | the front door was looked and close the windows | And it came to pass that they halted below kept in her bedroom, and wherein she deposit. one balf of which had been thrown open by my a city called Charleston, and the destroying ed all the bank notes that by rigid economy landlady. My next endeavor was to coax her engines belched forth their thunders upon it, and by endless toil she could rake and schape down from the roof, but my eloquence proved and it fell. And the Jeffites fied therefrom, and together. And in no place; perhaps, was econ . unavailing the policeman above mentioned was it was placed under the rule of the men of liberty, and the bondmen became free, and did farther than in the aforementioned bed room, and main, and the women were at length drag- much good for Sherman.

The ourpet was a century old-patched, durn: 'ged back,'but the washbowl was throken in the . Now Charleston was the city in which was ed, piecentral of course, not very clean," the affray, and the tea kettle lost its spoat. ... Satan's seat, where rebellion, the devil's doll, bed and bedding were equally antique-the . When at last the conviction was forced upon was conceived and brought forth, and Sumpchill's were mostly broken, and the cradle had them that there was really no danger, both fell ter, one of its fortified strongholds, held by a lost one of its rockers, and this last was a into fainting fits, so glad were they to think small number of the braves of Columbia, was matter of especial regret to my landlady, and they had not been burnt up alive. It was some besieged and taken by a numerous host of if she could have spared money for anything, time before my landlady was sufficiently re. Jeffites, as their first valorous act in the rebelshe would have had the cradle repaired; "as it covered to make with me an exploring expedi- lous cause of Jeff in the early days thereof. And Sherman and his host, journeyed on into

elauting cradle to moun hour alter hour alone. the first we visited-and here, quietly asleep in the province of North Carolina, and destroyed "Miss. Milligun meant to be a good mother, and the cradle, was her baby-forgotten till this many cities therein, and much forage, and food for men. And the people were without suste-

fat it is skarcely worth, while, being born all.

In October I waded in wo kneedeep, an now the waters uv afflicehun are about my chin. I look to the east and Massachusetta rolls in Ablishun.

To the west I turn my eyes ; and Wisconsin and Minnesota and Illenoy evers Ablishun; Southwerd I turn my implorin gaze, and Maryland sends greetin Abliabua.

In New York we had 'em, and lo! we run a sojer, who fought valiantly, and we put him on a platform, which stunk with nigger-yea, the savor thereon was louder than the Ablishon' platform itself.

But behold ! the people jeer and flout, and say, "the platform stinketh loud enough, butthe smell thereof is not the smell uv the Afrikin-it is of the rotten material uv which it is composed, and the corrupshun they have played " Now 'Sherman, chief captain of one of the on it?-and Nov York goes Ablishun, " " and a sed " come and sed " com buy." And our folks. bought him and, his tribe, 7 bat he getting net his price. Noo Gersey-Aplishun !!

Job's cattle waz slain by murrain and hollerhorn and sich, and not livin near Noo Yorka . thereof he cood not sel. But Job hed suthin left-still he cood sell the hides and tallow!

Lazarus hed sores, but he had dorgs to lick them.

Noo Gersey was the hide and tallow av the Dimocrasy, and lo, that is gone. What little is left uv the Dimocrasy is allore, but where is the dorg so low as to lick it?

Noo Gersey wuz ower ewe lamb-lo! the trong hand uv Ablishinism hez taken it."" Noo Gersey wuz the Aryrat on which our ark-rested, behold ! the dark waves uv Ablish-...

inism sweep over it l Darkness falls over me, like a pall-the shad-

woe encompasseth me. Down my furrowed cheeks rolleth the terre ov anguish, varyin, size from a Pea to a small -

ateri Noo Gersey will vote for the Constooshnell Amendment, and lol the nigger will possess the land.

بناجد با I see horred visions ! On the Camden and Amboy, nigger brakes

nen-and at the polls, niggers leave and at Where shall we find refuge?

In the North? Lo it is barred agin us by Ablishnism.

In the South? In their eyes the Northern Copperhead findeth no favor. In Mexico ? There is war there and we

might be drafted. 💈 👉 13 Who will deliver us? Who will pluck us

from the pit into which we have fallen? Where I shall go the Lord only knows, but my impression is South Karliny will be my fu-

ture home. -Wade Hampton is elected Gover- ; nor, certain, and in that noble State one may preserve enough uv the old Democratic States Rites leaven to leaven the whole lump-.

"I'm aflote—I'm aflote, On the dark rollin sea."
