New Advertisements. Administrators' Sale—Estate of Royal Rose. Harness Shop—Wm. Hollands. New Feed Cutter—Townsend & Trull. What is it?-Ask Dr. Roy.

THE REVIVAL.—The nightly meetings at the Presbyterian Church still continue, and considerable interest is being manifested. A number of conversions have already taken place. The at-

This awakening of the public conscience is general, as we note in our exchanges. The progress of the reform is quieter than usual; but, not the less positive for that.

We direct attention to the advertisement of Mr. W. Holland, Harness-Maker, Mansfield .-Mr. Holland has the oldest establishment in the county and has an enviable reputation for turn: ing out good work.

TWO-YEAR-OLD APPLES .- Mr. Wm. A. Taylor, of Delmar, has sent us specimens of apples gath: ered in the fall of 1864, together with some of the same kind of the growth of 1865: Two of the 1864 growth are still perfectly sound, though not quite plump, and hold their color well. Who year. can beat this?

DOES IT PAY ?-We are often asked by business men if it pays to advertise. The following note just received from Messra. W. R. Smith's Sons, the enterprising merchants at Addison, N. Y. speaks directly to the point. They say:

"Through the medium of two insertions in your paper, calling for clerks, we have already received over thirty applications. "We have made our selections; and shall select your paper, above all, others, for our mouth-

piece in future calls; and advise others in similar want to go and do likewise." We are much obliged to Messrs. W. R. Smith's Sons for this handsome acknowledgment.

THE OIL-HUNTERS .- The Superintendent of the Liberty Oil well writes us under date of the 2d instant, as follows: "We commenced driving pipe three weeks ago Monday last, and struck the rock at twenty feet. By to-morrow we shall have been drilling three weeks and have reached a depth of 240 feet. The indications are good, and we feel greatly encouraged."

We learn that Mr. D. A. GREENO, the Superintendent is a very skillful operator, and is giving good satisfaction. Success to the venture.

The oll continued to flow from the well at Sylvania at last accounts. There can be no question as to the existence of petroleum there, and we hope it may prove a paying concern. The theory that the article could not exist east of a line passing through the dividing waters of the Atlantic and the Gulf, must, we think, be fully exploded.

BLOSSBURG ITEMS .- "W. L. R.," writes us the following items from Blomburg:

"In a business point of view our inhabitants are waking out of the lethargy that has locked up their senses for so many years. Blossburg is no longer the Sleepy Hollow of the county, and if you will visit us you will find our Rip Van Winkles wide awake and fully alive to business.

"We are rapidly improving as a town. Real estate is going up, capitalists are coming in, and buildings are going up on every side. The place is assuming a business aspect it has never before assumed. The observer sees at a clance that our town is pervaded by the go-shead spirit of the

age.
"The social condition of the place is also improving. Religious and secular institutions are doing much to counteract the evils incident to rapid growth and the sudden influx of trade. Foremost among these institutions are the world renowned Orders of Masons and Odd Fellows. whose deeds of charity need no enlogist: they speak for themselves. Both Orders in this place are in a prosperous condition. That the ladies fully appreciate both Orders is evidenced by their

presenting a hand me Bible to each Lodge. "The Masonic presentation you have already chronicled. I will therefore briefly describe the a presentation to the Odd Fellows by the ladies of Morris Run :

"The gift was a super Bible, costing upward of \$50. The inacription, which I think very appropriate, was as follows:

"'Presented to the members of Arbon Lodge
489 I. O. of O. F., by the ladies of Morris Run,
as a slight token of their appreciation of the Order as a charitable institution. Bes est sucra mi-

"The Hall was tastefully decorated for the occasion and the fair donors were received with marked honors. The Presentation was made by Miss JENNIE RICHARDS in a brief but appropriate address, to which Mr. T. B. ANDERSON replied gracefully, thanking the fair donors for this evidence of their appreciation of the objects of the Order. Several brief speeches were made.

"The Morris Run Brass Band, under the direction of Mr. David Brookman, enlivened the evening with pleasant strains. At 10 o'clock the party sat down to a sumptuous supper prepared by Mr. R. Farr, and the occasion was one of unalloyed enjoyment."

Mr. A. Foler, of this place, is the authorized Agent for the celebrated Morton Gold Pens. He has a fine assortment of these unsurpassed Pens and those wanting them will do well to give him & call. Foley has just received a fine lot of American

watches, and a quantity of Gold, Silver and plated were from the city, to be sold; at the usual ressonable rates.

Township Officers.—We purpose publishing the list of township and borough officers elect for the current year as soon as 'we can make a transcript of the returns—probably in two weeks.

DONATION .- The friends of Rev. G. P. Wat rous are invited to attend a donation party at the house of Mr. Peter Walker, Stony Fork, Friday, Feb. 23, instant.

A Good Tring - We have examined a new style of Cutting Box manufactured by Townsend & Trull, on sale at Townsend's, in this village, and at Mr. Trull.s shop East Charleston. In our opinion it is superior to any in use, as regards simplicity and solidity of construction, cutting capacity, and theaposss. It will cut at a broom handle, a sheet of paper, or a hair, and this tho the knife seem to lack edge.

DEATHS.

In Tioga, 4th inst. at the residence of her son E. T. Bentley, Mrs. JANE BENTLEY, in the 85th year of her age.

Enfeebled in her later life, the memory of her stronger years lives with many friends. Born in Windham, Vt., Salem, N. Y., afterwards became her home, where at the age of 12, she professed a change of heart Subsequently she removed to Bradford Co., Pa., and thence to Tioga. Being led, after investigation, to a change of

religious views, she was baptised in the waters of the Tioga in the winter of 1821 by Rev. Blishs. Tucker, and for 45 years had been connected with the Baptist Church at that place. Thus over three score years and ten had been spent in the service of her master. She has gone—but the savor of her life remaining, our faith beholds now resting in the 'land that is very far off, where sh sees the King in his beauty' and knows what it is to enter into the joy of her Lord. McD. January 16th, 1866, of Cancer, in Sullivan. Tioga Co., Pa., Mrs. Anna Cudworte, in her 67th

The deceased embraced the Christian Religion in her youth, and has ever since been an exemplary member of the Baptist Church.

WHAT THE ILLUSTRIOUS ABERNETHY SAID.—"Well, sir what's the matter?" said Abernethy, the great English sur geon; to a endaverous-looking patient; who had called to consult him. "Oh, nothing serious," was the reply, "my stomach and liver are out of order, that's all., "Do you call that nothing serious?" said Abernethy; "I tell you, sir, that when these two organs are out of order, as you call it, there's not a square inch of the body that is not more or less diseased, nor a drop of blood in it that is in a healthful condition." Nothing can be more true, therefore it is of the very highest importance to keep the stomach and liver in a vigorous condition. If the one is weak and the other irregular in its section, tone and control them with HOSTETTER'S CELEBRATED STOMACH BITTERS—the most genial vegatable Restorative and Altarative that has ever been administered as a cure for Dyspepsia and Liver

alterative. ETTERS OF ADMINISTRATION having been granted to the undersigned upon the estate of Vincent Dailey, late of Occola, deceased, all persons indebted are requested to make immediate payment and those having claims may present them to PERRY DAILEY, Occola, Feb. 7, 1866.**
