Save your Greenbacks—Nast & Auerbach.
Farm for sale—S. Bennet.

Notice—Erastus Kelly.
New Firm—Card, Staples, & Son.
Woolen Factory, for Sale—Jacob Hillbold.

Notice—The Friends of Rev. H. LAMKIN
are invited to attend a Devotional Meeting at the
Hall, Mansfield, Pa., Friday evening, Feb. 23.

The foregoing notice did not reach us last
week until the edition was worked off. We once
more inform our friends that the paper goes to
press Tuesday noon. E.D.]

BUSINESS CHANGES.—Mr. Purvis retires from
the firm of Kelly & Purvis, and the business will
be carried on by Mr. Kelly.

Mr. G. P. Card has formed a copartnership
with Staples & Son, Keeneyville, and has closed
his store in Wellsboro.

Messrs. Nast & Auerbach, we learn, purpose
opening a store in this village on the 1st of April.

Once more.—We ask patrons to remember,
that our space is limited; and that therefore it is
not possible for us to print utility notices gratis.
These, in their nature, are personal rather than
of general interest; and we cannot longer practice
a generosity which trips the heels of justice.

THE REVIVAL.—The religious awakening, the
progress of which, here and elsewhere, we have
from time to time noted, appears to be quite gen-
eral. We note with satisfaction that its progress
is deliberate, rather than violent, showing that it
is reaching the consciences rather than the variable
emotions of men and women.

A series of meetings in progress at East
Charleston, under the conduct of Rev. N. L. Reynolds,
and considerable interest is manifested by the
people thereabout. We hear that the house is
crowded nightly.

At Corning, Elmira, Bath, and elsewhere, the
revival appears on the increase, as we gather from
our exchanges.

The meetings at the Presbyterian Church in
this village are nightly crowded still. We have no
record of the number of conversions, but the
interest manifested is marked and increasing.

EXEMPTION OF REAL ESTATE FROM STATE
TAX.—We congratulate taxpayers upon the pas-
sage of the law exempting real estate from tax-
ation for State purposes. The first section pro-
vides that cashiers of all banks in the State shall
collect, annually, from every stockholder in their
respective banks, a tax of one cent upon the
par value of the stock held by said stockholder,
and pay the same into the State treasury on or
before the first day of July of every year, com-
mencing with the current year; said stock to be
exempt from all other taxation under State law.

Section 2 provides that every railroad, canal,
or transportation company incorporated under the
laws of the State, and not liable to income tax
under existing laws, shall pay a tax of one per
centum upon their gross receipts.

Section 3 provides that the funds so raised be
applied to the payment of the debt contracted for
purposes in 1861.

Section 4 exempts real estate from any levy
of tax for State purposes from and after the passage
of the Act.

This measure was bitterly fought by the Cop-
perhead members of both Houses from its intro-
duction up to the final passage. On the last vote
they whipped over and went for it.

THE AMENDE.—We last week commended this
as a good point for marble working. One of the
"oldest inhabitants" regards the inference as a
libel upon the salubrious character of our climate.
We simply intended to state that the place was so
desperately healthy as to make it an object for a
marble worker to come here and live forever.

HOLD ON, BROTHER.—Hear Bowman, of the
Clinton Republic, who pitches into us in the
following reckless way:
" Cobb, of the Tioga Advertiser, "
has yielded to the seductive charms of official
position and suffered himself to be chosen to the
responsible elevation of Chief Burgess of the
thrifty borough of Wellsboro. Having forsaken
the dignified and honest walks of professional life
we entertain serious apprehensions lest he should
be still further misled into the stupendous folly
of going to the Legislature, or "

Stop right there! What have we done that
our friend should presume such awful back-
slide to be our fate? Our course is onward and
upward; and we intend to run for Postmaster
next year.

ROBINSON'S MONTHLY.—We have received the
first number of a 3 page paper, published by
the enterprising Corning Bookseller, E. E. Robin-
son, Esq. It is very neatly printed and dis-
plays a good deal of taste in its selections. In
his selection Mr. Robinson says:
" We believe in printers ink, and in the good sense
of the people; and in seeking to benefit others
we hope not to be ourselves the lost."

THE LADY'S FRIEND, for March is early on our
table, fresh, lively and useful as ever. Its en-
gravings are always superior and its patterns and
fashions in season. Sold at the Bookstore,
Wellsboro.

GODEY—the largest of the Ladies' Magazines,
appears to increase in excellence from month
to month. Its pattern and fashion departments are
considered ahead of all others.

FIRE.—An unbuilding on the premises of Mr.
D. Fecht, in Delmar, took fire one day last week
and burned to the ground. There was a quanti-
ty of corn stored in the building which was de-
stroyed. Mr. F. estimates the loss at \$300. No
insurance.

Beadle's Monthly.—If this new candidate for
popular favor do not win, it will not be chargeable
to any remissness on the part of its contributors.
It is a most beautifully printed Magazine and
contains a choice variety of pleasant reading.—

PARSON'S COLUMN.
HAVING found the Tioga Advertiser a
very profitable medium for steady advertis-
ing, I propose through the coming year to increase
MY ADVERTISEMENTS LARGELY.

I invite the careful attention of the community
to them, promising to make them simple state-
ments of facts, as to

PRICES OF GOODS,
and state of trade, &c., and avoiding all bragging
and long winded yarns.

My experience has been, that liberal advertis-
ing based on truth, pays well; and I think it
wise to follow it up. Any one that has a busi-
ness worth bringing before the attention of the
community, cannot well make it too plain or too
known.

I hereby return my thanks to the citizens of
Tioga County for the very liberal share of trade
I have received for the past ten years, during
which time my trade has steadily increased; and
I freely acknowledge that my Tioga County trade
is quite a large portion of it. I intend to try and
deserve it still more in the future.

My customers can depend on always finding a
large stock of

SEASONABLE GOODS,
at prices guaranteed to be at the bottom of the
market, and with attentive Salesmen to wait on
them promptly.

In all cases where there is a chance to receive
stock under market prices, (which frequently oc-
curs,) such bargains will be given to my custo-
mers.

I claim several advantages over most stores,
viz:

I also am enabled by my large sales, to buy a
great many Goods from first hands, saving New
York Jobbers profits—enabling me to offer such
Goods at much less than market rates.

LARGER SALES IN PROPORTION TO

than most any store in the trade. For further

YONKON buy standard Sheettings at 34 cents,
good heavy 4-4 sheetings at 25 to 30 cents at my
store.

There is no advance in prices of Flannels,
Blankets, Shawls, &c., at my store.

We continue to sell Best Delsains 2s 6d. Best

into the account. I say without the fear of con-

WHAT THE ILLUSTRIOUS ABER-
NETHY SAID.—"Well, sir, what's the
matter?" said Abernethy, the great English sur-
geon, to a cadaverous-looking patient, who had
called to consult him. "Oh, nothing serious,"
was the reply. "My stomach and liver are out
of order, that's all." "Do you call that nothing
serious?" said Abernethy; "I tell you, sir, that
when these two organs are out of order, as you
call it, there's not a square inch of the body that
is not more or less diseased, nor a drop of blood
in it that is in a healthy condition." Nothing
can be more true, therefore it is of the very high-
est importance to keep the stomach and liver in
a vigorous condition. If the one is weak and the
other languid in its action, ions and control
them with HOSTETTER'S CELEBRATED
STOMACH BITTERS—the most genial vegeta-
ble Restorative and Alterative that has ever been
administered as a cure for Dyspepsia and Liver
Disease. It is recommended by distinguished
surgeons and physicians of the United States
Army, by officers of the Army and Navy, by our
first authors, by eminent clergymen—in fact, by
thousands of the most intelligent of every class,
as an unequalled protective against epidemic and
malarious diseases, and as a perfectly innocuous,
but at the same time powerful, laxative and
alterative.
