faces—iny father's and my mother's;—I loathed it with a deep and terrible animosity, fliat I can give you no idea of.

Ah, me: Woe, woe to the day I ever
suffered it to cross our happy threshold

strange face.

Would I come? Something ailed Geoffrey Something ailed Geoffrey! I sprung. He was an industrious lad, and cut all the wood we burned that winter, though

turned without a word, and went to the cupbonid in which I had left the bottle

my mother's agony and my father's sin before he was born. I bade them bring him in my dear little lad—and lay him upon my bed; and theu I shut them all out of the room, and prayed and wept, and watched by him till he knew me.

beloved and admired too much, perhaps, for his good; for such things enervate. It is the hard knocks that are good for fullness of the blood.

grew upon him.

Well, by-and-by my brother Geoffrey married; but he had fallen into drink

I shuddered, but I covered those poor so badly, that Nanny's rather objected entirely; and, when the young people married in spite of him, he never forgave them; and they had nowhere else gave them; and they had nowhere else

who drinks.

Geoffrey meant to keep his promise; he did awhile—so long that I even hoped—but, thank God, I never quite lost hope. It didn't last, however; it didn't seem somehow that it could. I have seen Geoffrey, when that terrible thirst was on him, writhe like a strong man in the grasp of a devil; I have seen him weep tears that were wrung out of his heart like dwars of shoot

without tasting a drop; and then some-thing, the merest trifle, the sight of an old cork, the broken neck of a jug, or a wait of fermented air from the corn bin, would start the rage of the old craving in him, and he was all gone again.

By-and-by he coaxed me to sell the farm, and move to another State. I was My mother had said that she thought willing enough, for I thought, perhaps willing enough, for I thought, perhaps new associations would be good for him.

put at interest, it was gone. Geoffrey had drank it up. That is what drink makes a noble, generous, unselfish man

T believe she did. Girls ain't so apt to fall to drink, you know. Oh, those days! Oh, the shifts we made! the sacrifices we resorted to! the small expedients to allure Geoffrey to stay with us, instead of going to the dreadful town, from which he almost always camenot himself! Oh, the long nights, when to make the sunk they commenced peltin him with packages labelled 'treason, 'perjury,' and 'murder,' and John C. went under.

Old James Buckannon went next.—
The old gentlemun didn't keep abuy if trouble comes, I try to keep my heart water ez long ez aablebodied man could hold a bar uv red hot iron in his hand.

The lord be praised, miss, it growed up in me. Give me a bit uv sunshine, a clean flure, plenty of work, and a sup at the right time, and I'm made. That makes me laugh and sing. And thin, if trouble comes, I try to keep my heart up. Sure, it would be a sad thing if Patrick McGuire should take it into his not himself! Oh, the long nights, when we waked and watched—we two—and walked the floor; and prayed, and listened, and got for our first sign of his coming the thick sound of his voice.—He always came talking to himself when he was not right; and oh! the parfel will will be always a devil who had him in charge had a big pile more uv ammunition to discharge

awful voice in which a drunkard speaks! at him, but that one wuz sufficient.

He was always my brother Geoffrey, Vallandigham come next. I wuz sur-

idolatry with my appeals to Heaven.—
me. Them fellers who are yet votin for
My prayers were destined to an awful Jackson I'll never git, and the most uv response; I saw Mercy descend that them ez alluz votes unscratched tickets night, not garbed in angel's white, but bearing the two-edged sword of wrath tects em. It takes a moderity smart

even in so terrible a dispensation as that. For out of that awful chastisement joy The boys had ceded all their right in the homestead to me, and I was glad to have Geoffrey come and head the farm for me.

Nanny was a dear child. I loved her to do, we make money, and Geoffrey we are doin' the devil's work—and are the farm to do, we make money, and Geoffrey we are doin' the devil's work—and are we are doin' the devil's rewarded in the manner.

TO-DAY AND TO-MORROW

Don't tell me of to morrow;
Give me the man who'll say,
That, When a good deed's to be done,
"Let's do the deed to day."
We may all command the present,
If we not and never wait;

But rependance is the phantom
Of a past that come to late.

Every moment has its duty, Who the future can foretell?, Then, why put off till to morrow What to day can do as well?

Miscellaneous.

BORN A DRUNKARD.

I was ten years old when my father died, and I remember that before that, for a year, there were very sad times.

Your father-" she began, and broke

ery flood; as she said, putting her two hands on my shoulders, and dropping her head beside them— Yes, child, your father is drinking

STAPLE AND FANCY DRY GOODS, ing at me lingeringly, pressing her hips which were bought for CASH during the late passionately to my hands in the pain of Panic at PANIC PRICES, which I am bound to her supplication.

**This boy will need you, Salina; he'll

> 10 rewards, if not here, hereafter. Thou'lt 10 know what I mean, soon enough when I have never been sorry that, child as I was, I promised her; butshe died with that shadow in her eyes almost to the last—as long as she could see the baby's face; and then, I hope, God's joy took away even that. From that day, I took almost the entire charge of my brother Geoffiey, even in his tenderest years.— He was a good lad and a smart one, and tender hearted. I loved him, as my mo-ther desired I should; but I never understood what she meant by his bitter lot in life, till he was nine year, old, and

was almost twenty. He was so promising, so handsome, so beloved, that I did not see how his life could well be other than happy.

But when he was nine years old, I had some spirits in the house for a friend that was taken suddenly ill there. None had ever been in the house before since my father died. To me, the very scent of it was like a charnel house, and made me see, as in a vision, those two dead

It was a busy time, and I had one of the neighbor's girls to help me. Charlotte came to me one morning with a

the Wood we burned hat whiter, thought he was so young. I had heard him a moment before, I thought.

When I went out, my little boy lay upon a bench that was out there, as still upon a bench that was out there, as still as though he were dead, almost; and my eldest brother, Joseph, was bending over him, and gave such a look when I came to the door. I don't know how I came to the door. I don't know how I came to the door. I don't know how I came to the door, and went to the

Joseph had known my mother's fears, and recognized their realization. But far mote keenly than any one else could, I knew now what was my boy's bitter lot in life. He had been baptized in my mother's arony and my father's sir

Joseph was kind and thoughtful in smile, and the sanest look out of his eye those days. Temptations were plenty: I had seen therein a long time, as I bent and when that terrible thirst came and over him in wild affright. Nobody mastered Geoffrey, he kept it from me could answer when I asked what had as long as it was possible. He used to happened. They all shrunk from my take his brother out into the fields and look except him. He put up his hands,

woods, and walk with him till the fog sand drew me to him.

passed from his brain; and he was able to elude, with a fair seeming, even my keen eyes.

He put up his hands, and drew me to him.

"I went to help the thrashers at Kimble bull's," he said, "and I got caught in the machine. I can't ever go hear a But they had to tell me at last, for I rum hole again, Salina, without you began to suspect; and Geoffrey cried at take me there."

my knee, as he had done when he was I took the covering from his limbs at

a little lud. He had not the will, the stuff in him, of which martyrs were made. He was only a generous, frank, brilliant, affectionate fellow; the charm and center of every circle he entered—or faint at the sight. I think my heart that the sight. I think my heart the sight of the sight of the sight of the sight.

us—the tug up-hill that invigorates. He used to try, and promised to let the drink alone; but, in spite of all, the habit You ought to be. All the devils in hell

I was wrong to question God's mercy

(Wich is in the Stait of Kentucky,)
February 5, 1866.
Last nite I retired too my virtoous couch at precisely half-past eleven, after eatin a rather light supper for that time uv nite. I alluz make it a pint to eat late in the evenin, for I'm gittin old, and my digestiv facultys ain' what they wuz when I wuz young. Alas! we who hev lived out the best part uv our days, wat wood we giv to be set back to the

new associations would be good for him.

We put part of the money at interest, and bought a house in the village with the rest; and Geoffrey, who had a fancy for the law, went to studying as though he meant to do something.

You see I never lost faith; I couldn't, when I thought of my mother. Besides the lad was like the heart of me. I loved him, I believe, almost more than mothers love their children. My life was bound in him. I never thought of mar-I paid my respect to 2 mince pies, bound in him. I never thought of mar-rying but once, and I never regretted decest pirit hed to cross it. The water giving up the thought then.

Ah, well! that brightness was briefer than those before it. When there suddenly came a need for the money we had it if loded, accordin to what they had dresses, either?"

On the tuther side uv this yer

Was sumthin like that uv the Dead Sea.

A man unencumberd with enny thing money that goes for that."

"And you havn't many fashionable dresses, either?"

"Fash'nable, is it? Oh yis, I put a stirt and me

I never lost faith.

I took a school, then, to support us.—
Poor little Nanny! They had three children by this finie; and when Nanny wept over them, I used to hold her to me sometimes and kiss her, the poor child! and say, "Thank God, Nanny, they're all girls!"

On the bank stood more than 2 mill-shoulders of them try in to cross, their falins and weaknisis and iniquitis.
Generul Breckenridge wuz the first that I saw enter the flud. He had on a life preserver labelled State Rights, but a peert little devil stuck a pin into it, and collapsed, the gas with which it of the bank stood more than 2 mill-wins under the flud on the shoulders of them try in to cross, their falins and weaknisis and iniquitis.
Generul Breckenridge wuz the first the hard times is come."

"What on earth have you to make you happy? A drunken brother, a poor helpless sister, no mother, no father, no lover—why, where do you get all your

way that's another phrase uv mine,) ther'd beenuif slaughterin and murders ferin. At this pint a couple of small imps was o'er, but the impreshun remained. "Ken it be," mused I, pensively, "that we are doin' the devil's work—and are we to be finally rewarded in the manner

I-saw in my vishun? Ef so, hedn't I better quit and repent?"

But I thought agin, that however it

to Mary Maloney.
"Oh, I don't know, ma'am, without it is because me heart feels happy."

"Happy, are you, Mary? Why, let me see, you don't own a foot of land in the world."

"God rest her soul, yis," replied Ma-ry, with a touch of genuine pathos.—

"You have to pay your sister's board?" "Sure, the bit crature! And she's a good little girl, is Hinny, willing to do

in his arms. He never hurt it.

Never mind, I can't make you see shoulders which is ten days old."

without pilln any devilment on to his shoulders which is ten days old."

in. "A pit twenty feet deep is dug, by Never mind, I can't make you see those days as I do. I can't make you moderstand how, every time he came there bold and entered the flood ez tho' they were sure uv goin thro' all right. Tean liken the look it had become so common, our hearts sank as though it had been the first. Tean liken the look it with a inimitable chuckle, Satan modern the content of the hole, its distinct of the content had been the first. I can liken the long fain of those days to nothing; and I believe, solemnly, before my Heavenly

Bathon that tarrible as was our sonny minimum or chuckie, Satan motorie, in the center of the noie, its indicated away the inexperienced devils, ameter being seven feet, which is to be the width of the well at its bottom.—

Round this wooden circle a cylinder of bright is then constructed to the height. Father, that, terrible as was our agony for him, we loved him so, beside his, our suffering was as a drop to the ocean.

Reader, I believed in prayer, I prayed

Reader, I believed in prayer, I prayed Reader, I believed in prayer, I prayed often; but one day, somehow, a conviction seemed to come to me that I groped too much, that I did not give my prayer wings, and send it up even to the Mercy Seat. It seemed to me suddenly that I had been praying to an earthly spirit, instead of the great I Am—the Almighty, the Jehovah, awful upon Histhrone; and I knelt right there, and reaching up in that strange new strength, it seemed to me in that strange new strength, it seemed to me that I took hold of the very horns of the altar, and that the great and tender heart of the Divinest Saviour was reached at last.

I am telling you a real experience.—
That was how it seemed to me.

But I tranship and brought out underneath the cylinder, where the two ends are fastened and the rope tight leaders uv the Southerners were, some uv em, honest, and got through on that account, and the rank and file were ignorant wretches who ain't accountable no how. The leadin Copperheads uv The strengthening of the brickwork That was how it seemed to me.

But I trembled while I clung. An awful awe and oppression seemed to crush me earthward still, but still I would not let go.

Geoffrey had been away all day, and night did not bring him home. Nanny, poor child, stole away to the town to look for him, and I walked the floor, murmuring prayer. I would have given my life for him that night.

Perhaps I mingled too much of earthly

I that was how it seemed to me.

In norant wretches who ain't accountable to compact as if it was made of metal.—

The strengthening of the brickwork having been completed, they commence to dig inside of it, and, as the earth is removed from the interior, the cylinder must, yoo will acknowledge, hev had a long career uv iniquity to fit em for sich as in. "Why," sed he, "do yoo think lot when the structure is rendered as compact as if it was made of metal.—

The strengthening of the brickwork having been completed, they commence to dig inside of it, and, as the earth is removed from the interior, the cylinder gradually sinks by its own weight, the excavation being continued until the upper margin of the cylinder days to dig inside of it, and, as the earth is removed from the interior, the cylinder gradually sinks by its own weight, the excavation being continued until the upper margin of the cylinder days to dig inside of it, and, as the earth is removed from the interior, the cylinder gradually sinks by its own weight, the excavation being continued until the upper margin of the cylinder days to dig inside of it, and, as the earth is removed from the strengthening of the brickwork having been completed, they commence to did inside of it, and, as the earth is removed from the strengthening of the strengthening of the brickwork having been completed, they commence to did inside of it, and, as the earth is removed from the strengthening of the brickwork having been completed, they commence to did inside of it, and as the earth is removed from the strengthening of the brickwork having been completed, they commenc top uv the pile.

Perhaps I mingled too much of earthly

Any quantity uv your party escape a continuation of the brick cylinder,

to go-so they came to me.
I was glad to have them come.

almost as much as him; and he had never touched a drop since that day.—
promised her faithfully that he would It was God's mercy that crippled him top his bad ways. He hadn't any but so; for so strong yet is that demon's apthe drink-I don't mean that he had; petite within him, that to-day, if he had but that was worse than I can make you his teet again, they would take him back know. if you don't know already. None to his cups and destruction. As it is, he but those who have felt its awful hand is a man again-my little lad, my moamong their heart-strings, can know ther's gift to me—saved by God's grace. how possessed with a demon-a man is

his heart like drops of blood.

He would go sometimes for months

put at interest, it was gone. Geoffrey to carry. On the tuther side uv this yer had drank it up. That is what drink makes a noble, generous, unselfish man do.

'And there we were, and so it went on —worse, always worse—till God did seem to have forsaken my poor lad; but I never lost faith.

I never lost faith.

It is loded, according to what they had the state of the tuther side uv this yer is fash nable, is it? Oh yis, I put a bit of whalebone in me skirt, and me calico gown spreads as big as the leddies. But thin ye say true; I havn't but two gowns to me back, two shoes to me fut, and wun bunnet, that barrin uv me old hood. The property of faith.

On the bank stood more than 2 mill-loded. The property of the faith.

in his arms. He never hurt it.
