MANHOOD, HOW LOST, HOW RESTORED—Just published, a new edition of Dr. Culverwell's celebrated essay on the radical cure (without medicine) of Spermatorrhoan or seminal weak mess, involuntary seminal losses, impotency, mental and physical incapacity, impediments to marriage, etc.; also consumption, epilepsy and fits, induced by self-indulgence or sexual extravagence. Price, in a scaled envelope, only 6 cents.

The célebraired author in this admirable casay clearly demonstrates, from a thirty years' successful practice, that the alarming censequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition which every sufferer, no matter what his conditimay be, may cure himself cheaply, privately and radically. This lecture should be in the hands of every youth and every man in the land. Sant, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two
