TIOGA CO. COURT PROCLAMATION.

Whereas, the Hon. Robert G. White, President Judge for the 4th Judicial District of Pennsylvania, and Royal Wheeler and Victor Case, Esq.'s, Associate Judges in Tioga county, have issued their process, bearing date the 10th day of July, 1866, and to me directed for the holding of Orphan's Court, Court of Common Pleas, General Quarter Sessions and Oyer and Terminer, at Wellsboro, for the County of Tioga, on the 4th Monday of August, (being the 27th day), 1866, and to continue two weeks.

Notice is hereby given, to the Coroner, Justices of the Peace, and Constables in and for the county of Tioga, to appear in their own proper persons, with their records, inquisitions, examinations and remonstrances, to do those things which by their offices and in their behalf appertain to be done, and all witnesses and other persons prosecuting in behalf of the Commonwealth against any person or persons, are required to be attended there attending, and not to depart at their peril. Jurors are requested to be present in their attendance at the appointed time, agreeably to notice.

Given under my hand and seal at the Sheriff's Office, in Wellsboro, the 25th day of July, in the year of our Lord one thousand eight hundred and sixty-six. LEROY TABOR, Sheriff.

THE ETNA AND THE PORTLAND FIRE.

ASSETS JULY 1, 1866. Cash on hand in bank and with Agents, \$27,320.00 United States Bonds, 815,277.25 Real estate, unincumbered, 29,339.05 State Stocks, 495,600.00 New York Bank Stocks, 134,170.00 Hartford Bank Stocks, 100,000.00 Miscellaneous Bank Stocks, 129,000.00 Railroad Stocks, etc., 275,067.50 Mortgage Bonds, City & R. R., 1,011,136.00

LIABILITIES. Losses unadjusted and not due, \$221,236.56 Net, \$3,954,590.20 Income for last year (net), \$2,933,399.94 Or a daily income of say \$9,300.

Losses and Expenses for same time \$2,541,294.30 Total Losses paid in 47 years, \$19,127,410.06 via: Fire, \$17,243,000.99. Inland, \$1,884,409.07 Government and State Taxes paid, \$179,178.34

Loss by Portland Fire July 4th. The total amount covered by Etna policies on property destroyed or damaged, is \$206,554, in which salvage will be about five per cent. Our total loss will not vary much from \$200,000, and is being promptly adjusted and paid. This sum is five per cent. upon the value of the property exceeding our government and State taxes paid last year, or a proportion equal to a \$5,000 loss for a company of \$100,000 assets.

The necessity for insurance and the value of wealthy, strong corporations, is forcibly illustrated by this fire. Several weak insurance companies are destroyed. Portland has a population of 30,000, with a large amount of brick or stone structures - protected and screened with upwards of 3,000 shade trees - bounded on three sides by water - indeed, almost rising from the ocean, and with a good steam fire department - yet it has \$10,000,000 of property consumed in a few hours, upon a holiday, when its people are least occupied - from the very insignificant cause of a consumable fire cracker.

Remember the trifling origin of fire that sweep away in a few hours the earnings of years. Consider your best interests and give the Etna agent a call, if you need proper insurance security. Policies issued at fair terms. W. H. SMITH, Agent. Wellsboro, July 25, 1866.
