THE WEEKLY TRIBUNE. -- Our friends should at once set about getting up clubs for the Weekly Tribune, at once the largest, the best, and the cheapest paper in America. A single number contains more reading matter than an octave book of \$50 pages. The number for September 5 contains Beecher's endorsement of Johnson and the calaries of U.S. officials; but we remember Greeley's reply. It is 23 cents a copy for three.

We thought to put the salary so low that no man would take the bait .-We are the victim of misplaced confidence. Eight hundred a year is evidently more of a catch than we had estimated it. It is a little ramarkable that The Agitator should be taken and read by P. M. General Randall, and to be accounted for only upon the supposition that he has stopped second class papers like the Tribune, and substituted this. Well, Mr. Hart might have done better and the P. M. General might have done worse. Should any other locality desire a Postmaster, we shall be very glad to advertise, gratis. We propose to offer less than \$500 for the next applicant in Tioga county.

Young Men's Republican Club.-The young men of Wellsboro and vicinity met at the Club room last Thursday evening and made preliminary arrangements for the organization of a "Young Men's Republican Club." W. H. Smith, Esq., was chosen to preside, and Major Merrick was chosen Secretary. A committee was appointed to draft a plan of organization, with directions to seport at an adjourned meeting to be held at the Court House Friday evening at eight

clock.
Accordingly, about sixty persons assembled at e'clock. the Court House at the hour designated, and the committee reported a plan of organization which was adopted. The meeting then elected John I. MITCHELL, Esq., President, Mr. EUGENE Bowes Vice President, Major G. W. MERRICK Secretary, and Mr. H. C. Bailey Treasurer.

John I. Mitchell, Esq., then addressed the Club in a brief but most excellent speech, which was lietened to with great interest. Mr. Mitchell gives promise us one of the most effective speak-

PHILADELPHIA, Sept. 1; 1866.

To the Postmaster at Wellsboro, Pa.—Sir.—You are hereby notified that you have been assessed by the Executive Committee of the National Union State Central Committee of the State of Pennsylvania, the sum of \$45, as your quota of the expenses of the campaign. Please forward the amount by certified check, to Jos. Flanigen, Esq., Chairman of the N. U. S. C. Committee, at once, as the funds are greatly respectfully. your obedient servant.

Mr. Thomes C. McDowell, Secretary N. U. S. C. Committee, Philadelphia, P.A.:

Sir.—I have this day recoived your favor, franked by Edgar Cowan, United States Benstor, in which you state that I have been assessed forty-five dollars as my quota of the expenses of the campaign.

A few days ago I read a long article in the American Agriculturist, of New York, showing up several swindling establishments in that city; but as nothing was said-of the swindlers of Philadelphia. I suspect that your firm is one of the class exposed, and that you have stolen the immaculate Cowan's frank to cover your racally assessments.

Now what convinces me that you are of the class of swindlers referred to, is the fact that sometime ago a federal officer refused to pay an assessment made upon him for political purposes, and President's policy meets my entire approbation, and as Senator Cowan pretends to be a supporter of Johnson's policy, he must also surely approve this: and as you have used his frank to cover your racally demands, it follows either that you are putting that pure statemen (who has been called the Danlel Welster of Pennsylvania) in a false position or clee you are yourselves moral Peter Funks trying to get other people's mouse without any consideration or clee you are yourselves moral Peter Funks trying to get other people's mouse without any consideration whatever. As soon as the President's returns from his electioneering tour to the Weet I will report your conduct to him, and if I don't get a first class post office from him, it will be because he has given them all away to those who approve the more salient parts of his policy, such as the Memphis, Nashville, and New Orlean-massacres. Now you'll see if I don't! Perlaps Andy will appoint me fo the Philadelphia post office, in which ease you may "call round and see me."
