Ayer's Pills.

A RE you sick, feelle and complaining? Are you aut of order-your system deranged and your feelings uncomfortable?—There symptoms are often the precurers of serious illness. Some fictor sickness is creeping apon you, and should be averted by a timely use of the right remedy Take Ayer's Pills, and drive out the humorry parily the blood, and let the fluids more on use obstructedly, in health. They stimulate the organs of the body late vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part.—This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the syritem, and with it the buoyant feeling of health. What is true and so apparent in this trivial and seemson complaint, is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them repidly, cured by the same means None whok now the virtue of these Pills will neglect to employ them when suffering from the disorders they qure, such as a headache, foul stemach, dysentery, bilious complaints, indigestion, derangement of the liver, costiveness, constipation, heartburn, themmatism, dropsy, worms and suppression, when taken in large doess.

They are sugar coated, so that the most somitive can take them easily, and they are surely the best purgative medium yet discovered.

Ayer's Pills.

Ayer's Ague Cure,

For the speedy and certain Cure of Intermittent
Feece, or Chills and Faver, Remittent Feece,

or Bilious Henducke, and Bilious Feeces; indeed for the whole class of diseases originating
in biliary derangement, caused by the malaria of
minimatic countries.

This remedy has rarely failed to ours the severest cases of Chills and Fever, and it has this
great advantage over other Ague medicines, that
at subdues the complaint without injury to the
patient. It contains no quinine or other deleterious substance, nor does it produce quiniem or
any inquinous effect whatever. Shaking brothers of the army and the west, try it and you will
endorse these assortions.

Propared by Dr. J. C. AYER & CO., Lowell,
Mass, and sold by all druggists and dealers in
medicine everywhere.

COBBLER'S EMPORIUM.

BENJAMIN SEELEY, above-BENJAMIN SEELEY, shee-maker, over Jerome Smith's store on Main Streat, would just say to the Shoeless and Bootless-that is, that portion of them who have the dudads to change their condition—that he is now prepared to manufacture coarse gentlemen's former Boots, or fine gentlemen's coarse Boots in as bungling a manner, and at as dear rates as any other establishment this side of Whitney's Corners Anything in the line of Shoemaking or Cobbling will be admirably bothed on the shortest notice. Don't examine my work; it won't bear inspection; but "go it blind." Remember the piace, next door to Shakspeare's Tailor Shop.
