FIRE DEPARTMENT - It has been thought best not to organize a separate tadder chought over not to organise. As separate lander company, as proposed last week. The ladders are being made, and they will be carried with the engine in case of fire. A Hook and Ladder company cannot do much in a town built of wood.

MANSFIELD.-Mrs. L. M. PETERSE Lis. of New York City, has entered upon her duties as Preceptress of the Normal School at Manst.eld. Mrs. Peterselia is a lady of rare abilities and of much experience in teaching. The list of students at the present term is larger than ever before, and the Institution is doing a great work for the country.

Mayor Wood of Williamsport, is in a had fix. He was last week arrested on a charge of conspiring with others to extort money from a citizen. The affidavit of the complainant makes it look rather dark in Mayor Wood's direction; and if it be a true version of the affair His Hono will be apt to get leave to spend several months in Philadelphia.

FIRE IN MAINSBURG.—The Maine Homestead dwelling in Mainsburg was burned to the ground last Wednesday night. The fire was so rapid that nothing was saved from the building in the way of furniture and clothing.—

In fact, the inmates escaped with their night clothes, and one child was only snatched from the bed in time to save its life.

FIRE IN MIDDLEBURY.-We learn that the Plax Mill of our friend Geo. P. Card, Esq., situated between Potter's and Keeneyville, was destroyed by fire Saturday night. We have no news of the cause of the fire, nor of the los Insured for \$3000.

THE SCIENTIFIC AMERICAN.—This came to Troy with his new minstrel troupe and gave an entertainment last Monday night. The cill troupe of Green & Dingeas, which fizzled out at Elmira, and which skedaddled from Watkins without paying its printer's bill, looks likely under Frank's management to become a success.—It is performance was well spoken of by those who attended: but as he forget the press, we can say nothing further,—Troy Gazette.

Ayer's Pills,

A RE you sick, seeble and complaining? Are you out of order—your system deranged and your feelings uncomfortable?—These symptoms are often the precurators of serious illners. Some if to sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive out the humors—purity the blood, and let the fluids move on unobstructedly, in health. They atimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part.—This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health.—What istrue and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as headaehe, foul stomach, dysentery, billious complaints, indigestion, derangement of the liver, costiveness, constipation, hearthern, rheumatism, droppy, worms and suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered. Ayer's Pills.
