HEINZ VON STEIN.

Out rode from the wild, dark forest
The terrible Heinz Von Stein;
He paused at the door of a tavern
And gazed at the swinging sign.

He sat himself down in a corner,
And growled for a bottle of wine;
Up came, with a bottle and corkscrew
A maiden of beauty divine.

Then he sighed with a deep love-longing
And said, 'Oh, demoiselle mine,
Suppose you just give a few kisses
To the valorous Ritter Von Stein.'

And she answered—'The kissing business
Is entirely out of my line;
And certainly I'll not begin it
On a face so ugly as thine!'

Oh, then the bold knight was angry
And cursed both loud and fine,
And asked her how much was the swindle
For her sour and nasty wine.

And fiercely he rode to his castle,
And sat himself down to dine;
And this is the terrible legend
Of the dreadful Heinz Von Stein!

A GREAT FARMER'S MAXIMS.—The successful life of Mr. Jacob Strawn, the prince of American farmers, is attributable to the close observance of the following maxims, originated by himself.

When you wake up, do not roll over, but roll out. It will give you time to ditch all your sloughs, break them up, harrow them, and sow them with timothy and red clover. One bushel of clover to two bushels of timothy is enough.

Make your fences high, tight, and strong, so that it will keep cattle and pigs out. If you have brush, make your lots secure, and keep your hogs from the cattle, for if the corn is clean they will eat it better than if it is not.

Be sure to get your hands to bed by seven o'clock; they will rise early by force of circumstances. Pay a hand, if he is a poor hand, all you promise him! if he is a good one, pay him a little over. It will encourage him to do still better.

Always feed your hands as well as you do yourself; for the laboring men are the bone and sinew of the land, and ought to be well treated.

I am satisfied that getting up early, industry and regular habits, are the best medicines ever prescribed for health.

When rainy, bad weather comes, so that you cannot work out of doors, cut and split your wood.

Make your tracks, fixing your fences or a gate that is off its hinges, or weatherboarding your barn where the wind has blown the siding off, or patching the roof of your barn or house.

Study your interests closely, and do not spend no time electing Presidents, senators, and other small officers, or talking of hard times when spending your time whittling dry-goods boxes.

Take your time and make calculations—don't do things in a hurry, but do them at the right time, and keep your mind as well as your body employed.

COURAGE IN EVERY DAY LIFE.—Have the courage to do without that which you do not really need, however much your eyes may covet it.

Have the courage to show your respect for honesty in whatever guise it appears; and your contempt for dishonest duplicity by whomsoever exhibited.

Have the courage to wear your old clothes until you can pay for new ones.

Have the courage to obey your Maker at the risk of being ridiculed by man.

Have the courage to prefer comfort and propriety to fashion in all things.

Have the courage to acknowledge your ignorance rather than to seek credit for knowledge under false pretences.

Have courage to provide entertainment for your friends within your means—not beyond.

Our little four year-old Carrie went with her aunt to a revival meeting. The preacher was very earnest in his delivery, and she was very much interested. "Mother," said she when she came home, "I had such a smart minister—he stamped, and pounded and made such a noise! and by and by, he got so mad he came out of the pulpit and shook his fists at the folks, and there wasn't any body dared to go up and fight him!"

LATEST FASHIONS DEMAND J. W. BRADLEY'S CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING)

SKIRT.

THE wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt, will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the duplex elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, Misses and young ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies, and is universally recommended by the fashion magazines, as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy inquire for J. W. Bradley's Duplex Elliptic, or double spring skirt, and be sure you get the genuine article

CAUTION—To guard against imposition, be particular to notice that skirts offered as "duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the center, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere. Manufactured by the sole owners of the patent,

Hand Power Loom!-Patented 1865.

ALL persons interested in the production of practical machinery into our country, are requested to investigate the merits of

HENDERSON'S HAND POWER LOOM.

This loom will do all kinds of hand weaving.

It will weave jeans, blankets, plain cloth, satinet, kersey, flannel, seamless sack, double width blankets, or any kind of cotton, wool, or flax cloth. It treads the treadles, throws the shuttle, lets off the web, and takes up the cloth. It makes the upper shed as the batten comes forward, and beats up the filling after the cross is made, making better cloth and better selvage than can be made in any other way.

It is the only hand loom that is suitable for weaving wool,

as no loom that makes all the shed as the batten goes back, will weave wool satisfactorily.

It has no springs to stretch and get out of order; has treadles at both sides of the loom, making the shed complete at both sides.

This loom is made to weave the different kinds of cloth, by simply changing the pins that make the upper shed.

Township rights for sale. Call at Wellsborg, Tioga county, Pa., and see a full sized loom in operation. Orders for looms solicited LEWIS WETMORE,

Not continue to limp along through the world, when

YOU

see the lame are made to walk. Do not allow yourself to suffer continually from the innumerable aches and pains which are so prevalent at this season of the year, because you do not

KNOW

or will not believe that they can be cured. If you inquire into this matter a little, you will find that many poor sufferers from

NEURALGIA

have found welcome relief by using a new and powerful remedy called Salutifer. Severe pains and lameness, whether located in the shoulder or in the side

AND

back, are cured with wonderful ease and certainty by this powerful medicine. Many persons who have not for years been entirely free from

RHEUMATISM

have derived great benefit from its use. Indeed the Salutifer is now so extensively used, and has been so uniformly successful, that no doubt

CAN

any longer exist of its usefulness. In fact no other medicine can

BE

found which in so short a time has attained such unparalleled success. It is used for all those diseases which require an external application as a counter irritant, such as Neuralgia, Rheumatism, Quinsy, Sore Throat, Crick in the back, Numbness of the limbs, Chilblains, Pleurisy, and many other severe and troublesome difficulties, which are often

CURED

and always benefitted by such an application.—In many families, which have been in induced to

this valuable medicine, it has become a household necessity. They would as soon forget their Camphor or Arnica, as their bottle of

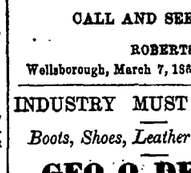
FOUTZ'S

CELEBRATED

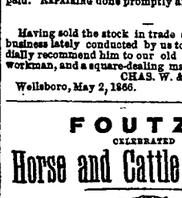
Horse and Cattle Powders.



This preparation, long and favorably known, will thoroughly invigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite, gives a smooth and glossy skin, and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.



In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Price 25 Cents per Paper, or 5 Papers for $1.

LIFE AND TIMES OF ELDER SHEARDOWN.—Those who wish to secure a copy of this excellent work, can do so by calling at this office soon. August 29, 1866.

A FORTUNE

Can be made by every man, woman, and child in this county, if they will strictly adhere to the plan of buying their goods of the well known popular old concern of

W. R. Smith's Sons,

ADDISON, N. Y.,

Thousands and thousands of people have already reaped their reward by thus doing. Every kind of

DRY GOODS, GROCERIES, CLOTHING, BOOTS & SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, &c., &c., &c.,

are on hand in abundance,

CHEAP FOR THE MILLION,

at the old Reliable Corner, the

PEOPLES' STORE,

GRAVE AND IMPORTANT INFORMATION TO CASH BUYERS WHO WISH TO SPEND THEIR MONEY WHERE THEY CAN GET THE MOST FOR IT.

W. R. SMITH'S SONS' system of keeping an enormous stock of goods at all times of the year, and selling them cheap—this system so obnoxious to big profit stores—is fairly begun for the Fall season at their store, and such a year for doing people good was never known before. Certainly there is no good reason for swindling prices now; we have had enough of them already. The great advantage and importance of trading for Cash or Ready pay is fully illustrated by the low prices now raging at the People's Store.

A FEW HOUSEHOLD WORDS FOR THE FARMER, MECHANIC, & PEOPLE GENERALLY.

Buy your goods of a concern which has a big assortment and is selling ten times as many goods and of course can sell them as many times cheaper than small concerns. We give all such advantages to our customers.

A FEW OTHER BIG THINGS FOR THE PRUDENT BUYER TO CONSIDER BEFORE SPENDING HIS MONEY.

Look out for big stores and big rents; big notes and big rates of interest and no real takers at that—all of which is very bad as against W. R. Smith's Sons' situation. Light expenses and no rents, new goods at break-down prices, and the good old motto of small profits, good value and quick returns, flying to the breeze. The fact is, the only true and certain road to fortune for the merchant is always to give his customers, as we do, the most he can for his money, and depend on large sales for his profits. Again, our popular and legitimate *system of dealing, buying strictly for cash*, always having cash on hand, render us masters of the situation when a drop comes in the market.

Never before was there such a tempting lot of goods, at low prices, as W. R. Smith's Sons can and will show from this time forward.

Our stock of Dry Goods and Clothing can't be beat, and no customer who is in the right shape, ever leaves the store without buying, and none who care what they say, will make the assertion that they can buy goods elsewhere as cheap. We keep the largest stock of

BOOTS AND SHOES, HATS AND CAPS,

that is kept in the county. Call, if nothing more than to see the CHEAP GOODS on the anxious counter.

CARPETS AND OIL CLOTHS

at ruinous low rates. The cottage and palace can be replenished for a song now, by calling on the *People's Friend.*

CROCKERY, WALL PAPER,

and a thousand other articles can be found; and no one who sees them can help buying. We manufacture all the *CLOTHING* we sell. Every well dressed man buys his harness of William R. Smith's Sons. We also make to order. Our Cutter is master of his art; he stands down the hall for no man who wields the shears for a livelihood; his fits sure the deformed.

COME AND SEE.

We keep Pork, Flour and Salt,

always as low or less than market rates.

It is more than ever the duty of every man and woman to call here before buying, and look through the stock of tempting goods and bargains, as no one can imagine or form any idea how great a difference there is between the prices of goods bought for cash and prices of goods elsewhere bought for notes that are not paid promptly. The safest thing for all buyers who want the lowest notch in goods, is to call and get W. R. Smith's Sons' prices, and take around in your pockets to compare. A great many stores will get the *cold shoulder* after you visit the Old Corner where they work for their customers.

You cannot mistake the place, as it occupies the room of four stores, immediately on the Erie railway, and the rush is constantly going on.

Call, if for nothing more than to see how we spike the guns. Yours, truly.

W. R. SMITH'S SONS.

Addison, N. Y., Sept 5, 1866.
