THE FINEST SPEECH EVER MADE.—The *Westminster Review* pronounces Lincoln's Gettysburg speech as the finest that ever fell from human lips.—In view of this fact, and that it is even more pertinent than it ever was, we need make no apology for republishing it. We give it below:

"Four score and seven years ago our fathers brought forth upon this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived or dedicated, can long endure.—We are met on a great battle-field of that war. We are met to dedicate a portion of it as the final resting place of those who here gave their lives that the nation might live. It is altogether fitting and proper that we should do this.

But in a large sense we cannot consecrate, we cannot hallow this ground. The brave men, living and dead, who struggled here, have consecrated it far above our power to add or detract. The world will little note nor remember long what we say here, but it can never forget what they did here. It is for us, the living, rather to be dedicated to the unfinished work that they have thus far so nobly carried on. It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to the cause for which they here gave the last full measure of devotion—that we here highly resolve that the dead shall not have died in vain—that the nation shall, under God, have a new birth of freedom, and that the Government of the people by the people, and for the people, shall not perish from the earth."

A FABLE.—We find the following fable in the Lancaster *Express:*

One winter's day, the farmer's wife, said to her maid: "Scrape up all these bits of fat and of meat, and throw them to the hens; I hope that it will make them lay. Take care that the old rooster does not gobble them up."

However the cock had schooled his little flock beforehand, by crowing to them thus: "My sisters! meat is intended *for males; it is strong food, and* unsuited to the slender female frame.—Everybody knows that hens have been always more lovely and delicate than we are, and let it be your care, oh, beloved sisters! to preserve the beauty of this *providential arrangement.*"

The hens were much moved by this tender praise of the speaker, and they said one to another: "I do not want meat; I have a plenty of good food without it; see these excellent bits of potato and cold turnip."

But one hen in this flock was strong-minded, and, in spite of the eloquence of the cock, she persisted in picking up the scraps of meat.

Then the other hens cried out: "Oh, fie! she is stepping out of her proper place—why can't she be satisfied to live like the rest of the world?"

The hen was sorry that they were angry with her, but the meat was very good, and she was further comforted when she saw her nest full of beautiful eggs.

Here is a specimen of breaking the news gently. During the summer of 1849 a Mr. James Wilson, of West Jersey, died with cholera while some fifty miles from home. John Rogers was employed to convey the dead body in a wagon to his friends and home. By inquiry he learned the precise house of the deceased. On driving to the door he called to a respectably-appearing lady who was in fact the newly-made widow, and asked:

"Does Mr. Wilson live here?"

"Yes," was her reply, "but he is not at home to-day."

"I know he's not at home now, but he will be very soon, for I've got him here dead in the wagon!"

LATEST FASHION DEMANDS W. BRADLEY'S CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING)

SKIRT.

THE wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced patticularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any other spring skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the duplex elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, Misses and young ladies they are superior to all others.

They will not bend or break, like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stoops, *stairs, &c.*

The Duplex Elliptic is a great favorite with all ladies, and is universally recommended by the fashion magazines, as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in crinoline viz: superior quality, perfect manufacture, stylish shape and finish, durability, comfort, and economy, inquire for J. W. Bradley's Duplex Elliptic or double spring skirt, and be sure *you get the genuine* article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "duplex" have the red ink stamp, viz "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the *center, thus revealing the* two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere Manufactured by the sole owners of the patent.

DO

Not continue to limp along through the world, when

YOU

see the lame are made to walk. Do not allow yourself to suffer continually from the innumerable aches and pains which are so prevalent, at this season of the year, because you do not

KNOW

or will not believe that they can be cured. If you inquire into this matter a little, you will find that many poor sufferers from

NEURALGIA

have found welcome relief by using a new and powerful remedy called Salutifer. Severe pains and lameness, whether located in the shoulders, or in the side

AND

back, are cured with wonderful ease and certainty by this powerful medicine. Many persons who have not for years been entirely free from

RHEUMATISM

have derived great benefit from its use. Indeed the Salutifer is now so extensively used, and has been so uniformly successful, that no doubt

CAN

any longer exist of its usefulness. In fact no other medicine can

BE

found which in so short a time has attained such unparalleled success. It is used for all those diseases which require an external application as a counter irritant, such as Neuralgia, Rheumatism, Quinsy, Sore Throat, Crick in the back, Numbness of the limbs, Chilblains, Pleurisy, and many other severe and troublesome difficulties, which are often

CURED

and always benefitted by such an application.—In many families, which have been in induced to

TRY

this valuable medicine, it has become a household necessity. They would as soon forget their Camphor or Arnica, as their bottle of

SALUTIFER.

It is sold by all dealers in medicine at 50 cents per bottle. Orders from dealers should be addressed to W. D. Terbell & Co., Wholesale Druggists, Corning, N. Y., W. H. Gregg & Co., Wholesale Druggists, Elmira, N. Y., or to J. A. Roy, Druggist, Wellsboro, Pa.

FOUTZ'S

CELEBRATED

Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, *COUGHS,* DISTEMPER, FEVERS, FOUNDER LOSS OF APPETITE *AND VITAL ENERGY,* &c. Its use *improves the* wind, increases the appetite, gives a smooth and *glossy skin*—and transforms the miserable skeleton into a fine-looking and spirited horse.

To Keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to *increase the quan*tity of milk and cream twenty per cent and make the butter firm and sweet. *In fattening* cattle, it gives them an appetite, loosens their hide, and makes them thrive *much faster.*

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated effectually, and hogs kept in fine, a certain preventive and cure. Price 25 Cents per package, or 5 Packages for $1.

LIFE AND TIMES OF ELDER SHEARDOWN.—Those who wish to secure a copy of this excellent work, can do so by calling at this *office soon.* August 29, 1866.

A FORTUNE

Can be made by every man, woman, and child in this county, if they will strictly adhere to the plan of buying their goods of the well known popular old concern of

W. R. Smith's Sons,

ADDISON, N. Y.,

Thousands and thousands of people have already reaped their reward by thus doing. Every kind of

DRY GOODS, GROCERIES, CLOTHING, BOOTS & SHOES, HATS, CAPS, CARPETS, OIL CLOTHS, &c., &c., &c.,

are on hand in abundance,

CHEAP FOR THE MILLION,

at the old Reliable Corner, the

PEOPLES' STORE,

GRAVE AND IMPORTANT INFORMATION TO CASH BUYERS WHO WISH TO SPEND THEIR MONEY WHERE THEY CAN GET THE MOST FOR IT.

W. R. SMITH'S SONS' system of keeping an enormous *stock of goods at all times of the* year, and *selling them cheap*—this system so obnoxious to big profit stores—is fairly begun for *the Fall season at their store,* and *such a year for doing people good was never known before.* Certainly there is no good reason for swindling prices now; we have had enough of them already. The great advantage and importance of trading for Cash or Ready pay is fully illustrated by the low prices now raging at the People's Store.

A FEW HOUSEHOLD WORDS FOR THE FARMER, MECHANIC, & PEOPLE GENERALLY.

Buy your goods of a concern which has a big assortment and is selling ten times as many goods and of course can sell them as many times cheaper than small concerns. We give all such advantages to our customers.

A FEW OTHER BIG THINGS FOR THE PRUDENT BUYER TO CONSIDER BEFORE SPENDING HIS MONEY.

Look out for big stores and big *rents; big notes* and big rates of interest and no real takers at that—all of which is very bad as against W. R. Smith's Sons' situation. Light expenses and no rents, new goods at break-down prices, and the good old motto of small profits, good value and quick returns, flying to the breeze. The fact is, the only true and certain road to fortune for the merchant is always to give his customers as we do, the most he can for his money, and depend on large sales for his profits. Again, our popular and legitimate system of dealing, buying strictly for cash, always having cash on hand, render us masters of the situation when a drop comes in the market.

Never before was there such a tempting lot of goods, at low prices, as W. R. Smith's Sons can and will show from this time forward.

Our stock of Dry Goods and Clothing can't be beat, and no customer who is in the right shape, ever leaves the store without buying, and none who care what they say, will make the assertion that they can buy goods elsewhere as cheap. We keep the largest stock of

BOOTS AND SHOES, HATS AND CAPS,

that is kept in the county. Call, if nothing more than to see the CHEAP GOODS on the anxious counter.

CARPETS AND OIL CLOTHS

at ruinous low rates. The cottage and palace can be replenished for a song now, by calling on the *People's Friend.*

CROCKERY, WALL PAPER,

and a thousand other articles can be found; and no one who sees them can help buying. We manufacture all the *CLOTHING* we sell. Every well dressed man buys his harness of William R. Smith's Sons. We also make to order. Our Cutter is master of his art; he stands down the hall for no man who wields the shears for a livelihood; his fits cure the deformed.

We keep Pork, Flour and Salt,

always as low or less than market rates.

It is more than ever the duty of every man and woman to call here before buying, and look through the stock of tempting goods and bargains, as no one can imagine or form any idea how great a difference there is between the prices of goods bought for cash and prices of goods elsewhere bought for notes that are not paid promptly. The safest thing for all buyers who want the lowest notch in goods, is to call and get W. R. Smith's Sons' prices, and take around in your pockets to compare. A great many stores will get the *cold shoulder* after you visit the Old Corner where they work for their customers.

You cannot mistake the place, as it occupies the room of four stores, immediately on the Erie railway, and the rush is constantly going on.

Call, if for nothing more than to see how we spike the guns. Yours, truly.

W. R. SMITH'S SONS.
