Commendation by negation suits some people as well as any other kind.

"We thank the several editors of the viper-ous Radical organs of this Congressional dis-trict for their abuse of H. A. Guernser, Esq., "We thank the several editors of the viperous Radical organs of this Congressional district for their abuse of H. A. Guernsey, Esq., the recently appointed U. S. Rovenue Collector. No man could receive a higher or more satisfactory commendation to public favor. Especially is this true in view of the fact that the abuse originates with the Tioga Agitator and Williamsport Bulletin—the one edited by a transcendental madman (vulgarly called a fool) and the other by a pecksniffian who is proud to be kicked into any harness by his masters, whether they be

ristine purity."
" Of course, what the Agitator says about the dissatisfaction of the Democrats of Tioga county is the mere froth of rage. Mr. Gurnnser was elected to office in that county (sheriff) the very last time our party succeeded in carrying it, and has more personal friends than the editor who villifies him. But as to the rage of the abolitionists, our faith in what the Agitator says is as great as our enjoyment therein. We can well believe the Tioga county diamnionists, who would toast Harry at the stake if they dared, will hate to pay over to him the U.S. levy."

It is said that another European war is inevitable. France offered to buy the or Man. The utility of some human beings is about as difficult to determine as the utility of mosquitoes and red ants; but—nothing is made in vain.

Winter we pounded our corn in a mortar made by burning out the end of a hickory block. The pestle was worked by a spring-pole. This lasted two or three winters. Then we got a small set of mill-stones and worked them by that the Messiah is now looked for "

We have been led to the pontificate, but the light had already penetrated with its rays into the deep recesses of his mind, and hickory block. The pestle was worked by a spring-pole.
