ground

I left the city. My fear, which I had felt at first had given place to anger. I was enraged at myself, and furious at dea passed out of my mind now. I sat said. "They kept us late at the office, there thinking of the ball. and coming up there was a fire in Pear "/I would have worn my green silk .-the man who thus ventured to assail an Its almost new," said I, "and I would n't have needed much but gloves and shoes. Its contemptible of Mark—a member of the Lodge, too!" And I cuffed the child that came roarstreet. That always turns a man out of his way. I stopped to look. It was a innocent traveler. Full of these feelings I gained the top dreadful fire, 1 tell you ; all those new frame houses put up last year-the two- of the hill. I was not mistaken. The form of the mulatto stood in the middle story ones, you know. Some lives lost of the road immediately before me. I walked straight onward and close up to

they say." I waited to hear no more. "Get me out—let me go," I screamed "It's where I live," ing to me with a broken kite.

"A woman is a fool to get married," said I. "Why, I always had beaux to my companion. "It's where I live," enough to ask me everywhere. I might still, but now it's 'dress the babies, and and I fought back through the crowd and, with Will at my heels, in my ballcook the dinner, and wash the dishes, dress and bare-headed, ran out into the and clean the house. I'd better live out at service, for I'd have my halfstreet. The music had drowned the noise within, but once outside I heard holidays. I don't have an hour now." "Da da !" cried the baby in his high chair at the window, "Da da, tom the screams of fire, and the rush of engines, and saw, the mad red flames

against the sky. A man' I knew by sight was running past. I caught his arm: "Stop, Mr. Baron," I cried; "is it my hone?" Many bone and in my breast pocket. "Pooh!" said the fellow with a sneer;" "you" ve got nothing. Out with your money now, or I'll blow your brains out ?" And he leveled a pistol full at He saw his father in the street. knew, and I jumped up and began to

set the table. Always before every-"Who's this ?" he uttered. "Who my face. Well rood heavens. Mrs. I gave an involuntary start. thing had been ready just as Mark came in, but I was too sulky to care much now; and I turned to him angrily as the Well good heavens. Mrs. Hunt! I'm afraid it is. Where's Hunt?" "Why, we're late to-day, Ann ; none But I did not answer. I was already running towards the fire, and in ten minutes I saw a sight that froze the blood in my veins. The fine little frame houses, all one red blaze; mere shells of houses already. Then the fine little give you what I have. It is not much." of the children sick, I hope?" "They're well enough," said I. Can't a woman be behindhand for nce in her life." And I pushed open the oven door .-A smell of burning and a cloud of smoke rushed, out at mc. The pork like a mad woman. "My children !" I cricd, "would no was just a crisp. As for the notatoes in one save my children !" And I flung myself to the ground, the pot, I knew they were a water-soaked mass already. But Mark was good natured. It was for there were neither floors nor stairways left, only the hollow ruins. the first time. I had served him so, and 'Oh, let me die," I cried. And a I had no cross words to bear, and gave hand touched my arm, and some one a sort of apology for what had happen-cd, by telling him that Bess Creamer had been to see me. said: " Ann !' I looked up. Mark Hunt was bend-"No wonder the dinner is spoiled,

ing over me. Mark Hunt, my husthen," said Mark. " Bess has a tongue band. that is hard to stop. The greatest gos-"Kill me, Mark," I said, "Oh, kill sip about the town, and such a gad-about ! I pity John Creamer for his bargain. She had a pretty face--its fading fast though, --but what else had she, I wonder?" me! The babies are burned to death .--My little darlings, and I-I have murdered them.' But he lifted me and bore me out of man-a giant, in fact, in comparison the crowd to a little vacant spot of with me. But I was nerved with the

ground, and there, nestling among a obstinate courage of despair. Life, hear of blankets, I say my darling, friends, home-all were forgotten. I said 1. "Kind ?" cried Mark. "Why, he spends dollars every week at the tavern, and if he were to die 'to-morrow Bess would have to beg, for, all he'd leave would have to beg, for all he'd leave down and thanked God for it, and then hoarse voice.

"Perhaps so," said I; "but he lets Mark told me all. her enjoy herself. Nowhere but she his business with all speed, and hasten-goes. She came in to show me her ball-

Go until she came I could not, and as it grew late I fretted and fumed and so did Cousin Will. But at last she came blundering into the kitchen, smelling of liquor, and very loquacious. She had "been to her cousin's baby's funer-al," she said, and it was plain to be seen she was not quite soler. Here at this particular place? This was "I daren't go and leave her, Will," I me at this particular place? This was what troubled me. passionate love. These same documents of an ingenious sort of hook contrived were gradually formed into a canon, to catch a number. They found other which became the immediate centre of hats, and some tools, and finally became their lives and actions. The activity quite confertually supplied with food. All this time I was walking on. I tried to eatch up with the man and in expounding and investigating gradually begat science, that assumed the were incessant, and they adopted vavery widest dimensions. Its technical from expedients to attract the attention name—" Midrash "—is already contain-ed in the Book of Chronicles, and in the authorized versions is rendered by within sight of them—until the time of the word "story." There had sprung their deliverance by the Amherst. Pre-up innumerable modes of "scarching viously to this, one of the boats, with At length he came to the foot of a long hill. Up this the man went with unabated velocity; but here I paused and slackened my speed. At the top of the hill was the loneliest place on the whole road. Not a house was near it

the Scriptures." The Talmud is the storehouse of "Midrash," in its wider in the hope of reaching New Zealand; sense and in all its branches. Meaning but using in the hope of reaching New Zealand; in the first instance nothing but "study them, it is feared that they perished at and learning." It next indicated a special method of "learning," or rath, from the island Nov. 19, and the signal er arguing : and four the signal the island is the first instance of the signal except the ruins of an old block house. which was fast going to decay. If this er arguing; and finally it became the fire was lighted, but this did not attract name of the great Corpus Juris of the notice of the brig, and on the 21st Judaism.
