1000IIIIIIO 5 UDELIMAIL CONIC is a combination of all the ingredients of the Dittors, with FURE Stata Cruz Rum, Orange, etc. It is just for the same diseases as the Ditters, in cases where some pure alcoholic stimulus is required. You will be an initial that these remedies are entirely different From any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoetions of rum in some form. The FONIC is decidedly one of the most pleasant and agreeable venedies ever affered to the public. Its laste is exputient. It is a pleasure to take it, while its life-pring, erchitorating, and medicinai qualities have caused it to be known as the greatest of all tenics. MINER WATKINS, PROPRIETOR. CONSUMPTION. Thousands of cases, when the pa-tient supposed he was afflicted with this terrible disease, have been cured this (crrible disease, have been cured by the use of these remedies. Extreme concention, debility, and cough are the usual attendants upon severa (cases of dyspejsis or disease of the digestive organs. Even in cases of genuine Consumption, these remedies will be found of the greatest henefit, strengthening and invigorating. DEBILITY. The Difference equal to Hapfend's German Bet ever lower in cases of Debility. They impart a tom and super to the whole system, strengthen the ap-netic, course an enjoyment of the food, enable the stoneth to digret it, parify the blood, give a good, courd, builty complexion, cradicate the yellow tings from the eye, angulation, cradicate the yellow tings from the eye, angulation to the checks and change the patient from a short-be eathed, smactated, weak, and nervous invalid to a full-faced, shout, and vinor-ous persod. ous persoit. Weak and Delicate Children afe bidde strong By using the littlers or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate finale, or a man of albely. The & Remedies her the best erer kanjou, und will cure all dista vis praditish fram bad bland keep hour digestive organs in a sound, healthy condi-tion, by the ase of these remedies, and no disease with ero as al you THE COMPLEXION. CAUTXON.

> Thousands of lettors have been re-ecived, testifying to the virtue of these remedies. READ THE RECOMMENDATIONS. FROM HON, GEO. W. WOODWARD. Chief Justice of the Supreme Court of Pennsylvania PHILADPLPHTA, MARCH 16th, 1867. I find "Hoghand's German Bitters" is not an infox-icating beverage, but is a good tonic, useful in dicor-ders of the directive organs, and of great benefit in even of the directive organs. cases of debildy and mant of nerrous action in the system. Vours truty, GEO. W. WOODWARD. FROM HON. JAMES THOMPSON, Judge of the Supreme Court of Pennsylvania Phil ODELPHIA, APELL 28th, 1866. I consider "Hoofland's German Bit-ters" a valuable medicine in enso of at-tacks of Indigestion or Dyspensia, T can certify this from my experience of it. Yours, with respect, JAMFS THOMPSON. oat." From REV. JOSEPH H. KENNARD, D.D., Pastor of the Touth Baptist Church, Philadelphia quested to connect my name with recommendations different kinds of medicines, but reparding the ma different kinds of maticines, but separding the practice as out of my appropriate sphere, I have in all cases de-clined; but with a clear poof, in various induces, dud sparticularly in my oran family, of the unefalness of Dr. Moofland's German Billers, I depart for once from my unal course, to express, my full conviction that for general debility if the system, and especially for Liver complaint; it is a, safe and valuable opermention. In some cases it may fail; but ushally, I doubt not; it will be very beneficial to those who suffer from 'the above causes. Yours, very respectfully, J. H. KENNARD, Eighth, below Coates St. Price of the Bitters, \$1.00 per bottles Or, a half dozen for \$5.00. Price of the Tonic, \$1.50 per bottle; Or, a half dozen for \$7,50. The Tonic is put up in quart bottles. Recollect that it is Dr. Hoofland's German Remedie Recoiled that it is Dr. Hoojana's German Hencare. that are so universally used und so highly recommend ed; and do not allow the Druggist to induce you to take any thing else that he may say is just as good, be cause he makes a larger profit on it. These Remedic will be sent by express to any locality upon application to be to,the PRINCIPAL OFFICE, AT THE GERMAN MEDICINE STORE, No. 631 ARCH STREET, Philadelphia. CHAS. M. EVANS, Proprietor,

Formerly O. M. JACKSON & CO. These Remedies are for sale by Druggists, Storekeepers, and Medi-cine Dealers everywhere. Do not forget to examine well the article you buy, in order to get the genuine.

and then you must get a special order to do so from the Government. Never-theless, fine as yours undoubtedly are, I think mine are equally good," said he, formed in appearance to defy the possihanding me at the same time his cigarase to help myself.

such a thing now in France, at any

price, unless you import them yourself.

gue appearance of the stranger at first. half an hour's conversation showed me

that an hour's conversation snowed me that he was man of rare ability. Like myself, he was also a great trav-cler; had by in all own Europe and trav-great mer of Asia and North Africa, spoke several of the languages of Europe with great fluency, as well as a little Russian and Turkish; while compar-ing notes I found that he was as well ing notes, I found that he was as well accondited with the manners and customs of the various countries he had, visited as myself-a very rare thing in Frenchmen, who have nothing of the passion of the English for traveling, and rarely speak any language sufficiently well to make themselves understood. During the whole night we amused ourselves with details of our adventures

and anecdotes of the strange characters we had met with during our travels ook refreshments together at different buffets along the line; treated, each

other in the same friendly confiding manner as if we had known each other for years. Nothing occurred to interrupt our harmony until I arrived at Marseilles, where, having secured a place in the steamer bound for Algiers, we sat down to a contortable breakfast at our Hotel. I had, however, scarcely taken the first monthful, when the waiter entered. telling me there was a gentleman, waiting to see me in the adjoining room. ${f A}$ glance was sufficient to tell me that the person who had sent for me was an agent of the police. "Monsieur est Anglals?" said he rather bruptly, as I entered.

"Oui, monsicur?" "I thought so. You have come direct from Phris, and are on your way to Algiers; you took some refreshments at Lyons with your companion of the railway carriage." "Mostacentalely described," I replied. "Did you ever meet with the gentler

man before??? "Never.]

Of course, then you know nothing of his history or antecedents.' Absolutely nothing."

"No doubt you find him a very pleasint companion. "I never met with one more agreeable or gentiemanly.'

So much the worse for those he se lects as his victims. Just look and see if you have lost anything." 'No; here is my money all right in my pocket-book, and there are my despatches in the breast-pocket of my

> "Marvelous ?-- most marvellous!" cried my interrogater. "You will no doubt he astounded when I tell you you have made the acquaintance of one of the mostaccomplished chevalices d'industrie at this moment in all Europe, who, notwithstanding his disreputable calling, is a nobleman, and related to some of the first families in France. We have nothing against him at present: for the very best reason, that he has only just completed his term of imprisonment; but he is such a wonderful actor, and his disguises are so numerous, and so true to nature, that even the argus eyes of the most vigilant agents of the police are deceived. Indeed, it was only by the slightest chance I recognized him, and of silver, if it is intended to do honor then I owe it entirely to that strong hottle of Burgundy he helped you to drink at Lyons; and so it is, and ever drink at Lyons; and so it is, and ever les a little mirror, a European innovahas been, in nine times out of ten, the clever fellow in crime that I have had tion, for our civilization has made this slight breach of Japanese manners,to do with lose their wits when they During the greater portion of the year take a glass too much." the feet are bare; in winter they are On saying this, he turned on his heel, clail in white cotton, and rest upon and most unceremoniously left the room . sandals of varnished wood, kept by It was bewildered. happen to strike the right chord. The high-born, titled rove, who up to this time had been celebrated only for crime, all at once vanished from the world, as if he had never been. In short, he adopted the counsel I had given him, chapged his name, and is extent. Ayesha could not fail to detect the day, as much respected for his virthereupon through the usual stages of tues as he is admired for his talents by every man of his acquaintance. | A Japanese Belle.

Every Japanese girl, of no matter what class in society, appears inspired with an innate love of coquetry. The daughter of the humblest tradesman loves to pass whole days in shopping, and takes the greatest delight in pre-French or British education. At last she took a resolution. She paring long before it is needed, the contrived to let it be known that she had determined on changing her condidress she intends to display for the first tion, but that she wished to do it with time at the next fete. The day arrived, the happy girl rises early in the morna step required. She was open to negoing, and while her fresh new dress lies tiation, in one corner of the room impatiently submits to the dilatory labors of her amount of advantageous offers which hair-dresser, in whose profession there now poured in upon her from all quarare some artists so celebrated that they ters except that one to which alone her devote whole hours to the study and desires tended. She would accept none of them. She would be gained by no coil requisite for the composition of some graceful or fashionable style where the hair, carefully dressed with hers, and show it by some deed of unthe brush and pomade, half hides a hesitating self devotion which could neither be 'cavilled at nor' surpassed. piece of crepe coquetishly chosen and What could she ask, they assured her, fastened by heavy pins of tortoise shell which they were not, one and all, ready or coral. The chignon, it must be con-

ward

fessed, is not altogether of Nature's । thousand times to perform 🎙 growth, and if, after the hair, we exam-She managed to assemble them together. "The man who would have ine the face, we shall see that Madame Rachel herself could not teach the Japme," she said—and there was a furtive trembling glanee in the direction of Sidi Abdallah—"must prize me above anese much in the art of making up.-On the dressing tables stands a perfect collection of little boxes just drawn the joys of this world and the hopes of from some hiding place; there are whites for the ncck, the arms, the bust; the next, and must give me, before the eyes of all the world, incontrovertible proof of it. To-morrow is the last day reds for the mouth and the cheek of the fast of Ramazan. You all know black for the eyes ; sometimes gold for the lips; and yet, with all these aids that whoever violates that fast cannot enter Paradise. I will be here to-morfrom art, age is unable to conceal its decrepitude, while strangely enough row in this market place with a plate of the children are the most laden with kouskousoo, dressed by myself. To him who, in the same public place, will paint. Putting aside this coquetry, universal in spite of its bad taste, the dress eat a spoonful of it, will I give myself in marriage, and to none other." is very simple and invariably well cho-

There was solemn commotion among sen. A silk robe, generally of a dark beards, and staring of eyes, at the prohue, covers a chemise en crepe made of small patches of every color, a perfect posal. She is mad, said the more conharlequin's mantle, where bright green siderate; a supposition which, according to Arab notions, did not diminish is placed beside a lively red. In winter the costume is completed by a short their respect for her. She is the daughter of Sheiton, said another, and he who | preach once every day and Sunday too. mantle doubled and thickened accordtastes that kouskousoo will need a long ing to the season. The dress is long, without shape, and open from top to bottom; the upper part is confined by spoon to sup with her father. She is suborned by the Christians to seduce a belt broad enough to cover the breast the children of the Prophet to idolatry, suggested an ill-natured devotee. But three regular times a day, wherever he those whom the proposal more especially may happen to be at the time; but and the lower part of the form, terminating behind in an enormous knot; to tie which, with more or less elegance, regarded received it with much embardemands a careful examination and rassment. She is a Houri, no doubt, many retouches. The sleeves hang but to renounce all the other Houri, for like large pockets. To the belts are lier, and that is so downright and vul-fastened a pipe in a velvet case and a gar a fashion—?, If she had only asked nal of Health. pocketbook containing two chopsticks me to come into her tent and take a

spoonful in a quiet way, the thing night have been worth considering; but here, before all the curious people that a man does but one thing, and of the tribe-what would Mrs. Grundy knows and cares 'about no other, was say? For he who imagines that he finely illustrated by an illiterate farmer, can escape from that tremendous female who thought he could turn an honest by fleeing to the desert is greatly mis-taken. Her influence in an oasis of the winter months. His precious metal the horse good; hich him for de wagon Sahara is évery bit as powerful as in an was brass. He attended the examina-English country. And there were tion, and went through without wine-even emirs there, unless we were mis- ing. It was a difficult position; for the extaken, who dreaded Jehanum, in their aminers were townsmen of the would-be hearts, less than they did Mrs. Grundy. | teacher, and did not care to wound his One and all quietly determined to de-cline the proffered test, if actually driv-en to it. Nevertheless they all came to his writing, and pointed out that seversee if any one else, was daring enough al words were misspelt. "Spelt wrong! to accept it. And Sidi Abdallah was shouted our nodest here; "I thought

there, with more intense expression in those yearning eyes of his than ever. It was midday. Ayesha came forward with the bowl and the spoon. There was no need to repeat the conditions. Our after the other budget

whenever she gave opportunity for ap-proach, there was one youth whom have many a time eaten when you did she learned to distinguish from the rest, not want anything ; many a time have the two met face to face in the bend of you coaxed your appetite with brandy the road-the sheriff mounted on the and whisky and red pepper, as hot as fire, and pickles, and filthy "bitters," and made a confounded ass of yourself longed-for horse. Both drew their pistols in an instant, and "looked the determination seen in each other's eye! The sheriff knew his man and lowered his weapont stying : "For God's sake W-----, fly for
