HOOFLAND'S GERMAN TONIC PREPARED BY DR. C. M. JACKSON, PHILADELPHIA, PA.

The greatest known remedies for Liver Complaint, DYSPEPSIA, Nervous Debility JAUNDICE,

Diseases of the Kidneys, ERUPTIONS of the SKIN, and all Diseases arising from a Disordered Liver, Stomach, or I JMPURITY OF THE BLOOD. Read the following symptoms, and if you find that your systim is diffected by any of them, you may rest assured that disease has commenced its atlack on the most important organs of your body; and unless soon checked by the use of powerful remedies, a miserable life, soon terminating in death, will be the result.

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Eluttering at the Heart, Choking or Sufficeating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Vellowness of the Skin and Eyes, Pain in the Side, Bank, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Eyil, and Great Depression of Spirits.

All these indicate disease of the Liver or Digestive Organs, combined with impure blood.

Boofland's German Bitters is entirely vegetable, and contains ho iquor. It is a compound of Finid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manifacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Ritters that can be used in cases where alcoholic stimulants are not advisable.

Goofland's German Conic is a combination of all the ingredicits of the Billers, with your Santa Cruz Rum, Ordige, giel. It is used for the same diseases as the Billers, in class where some piere alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIO is decidedly one of the most pleasant and agreeable remedies ever offered to the public. It staste is exquisite. It is a pleasure to take it, while its life-giving, exhitavating, and medicinal qualities have caused it to be known as the greatest of all tonics.

CONSUMPTION: Thousands of cases, when the patient supposed he was afflicted with this terrible disease, have been cured by the use of these remedles. Extreme emaciation, debility, and cough are the usual attendants upon severe cases of dyspepsia or disease of the digestive organs. Even in cases of genuine Consumption, these remedles will be found of the greatest benefit, strengthening and invigorating.

DEBILITY. There is no medicine equal to Hoofand's German Bitters or Traic in cases of Debility. They impart a time and eight to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the dengret, to dignet it, purify the blood; give a good, caiad, healthy complexion, evadicate the yellow tinge from the eye, impart a bloom to the checks, and change the patient from a short-breathed, enuciated, weak, and reveales invalid, to a full-faced, stout, and vigorous surveys.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In 1001, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

There Remedies are the best Blood Purifiers ever known, and will cure all diseases resulting from bad blood.

was oucoa.

Keep your blood pure; keep your Liver in order; keep your digetive organs in a sound, wallby condition, by the use of these remedies, and no disease will ever assail you. THE COMPLEXION.

Lodies who wish a fair skin and good complexion, free from a yellow-ish tings and all other disfigurement, should use these remedies occasionally. The Liver in perfect order, and the blood pure, will result in sparkling eyes and blooming checks. CAUXXON.

Hophand's German Remedies are counterfeited. The genuine have the signature of C. M. Juckson on the front of the and ide wrapper of each bottle, and the waine of the article blown in rach bottle. All others

READ THE RECOMMENDATIONS, FROM HON, GEO. W. WOODWARD.

Chief Justice of the Suprismo Court of Ponnsylvania PHILADELPHIA, MARCH 16th, 1867. I find 'Hooftam's German Billers' is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in east of debility and want of nervous action in the system.

Yours truly,

GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON, Judge of the Supreme Court of Ponnsylvania.
Philadelphia, April 28th, 1866. I consider "Hoofland's German Bitters" a radiable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON.

From REV. JOSEPH H. KENNARD, D.D. Pastor of the Tenth Baptist Church, Philadelphi Pastor of the Tenth Baptist Church, Philadelphia, Dr. Jackson-Dear Sir:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but reparding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my open family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual, course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and validable proparation. In some cases it may fail; but vivially, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

Yours, very respectfully, J. H. KENNARD, Eighth, below Coates St Price of the Bitters, \$1.00 per bottle; Or, a half dozen for \$5.00.
